Coleman Carroll High Official Alma Mater Song

Coleman Carroll High, our Alma Mater
Primum Regnum Dei, for me and you
Blessed memories will stay forever
With our trust in God, our whole life through

Coleman Carroll High, our Alma Mater
We will praise your name, with loyalty
Leading us to Christ in all endeavors
Showing us His way as Family

If we never again walk this way
We would still want to hear people say
That the flag's still flying Black, Silver, and Blue
and the world's still seeing what the Bulldogs can do!

Primum Regnum Dei
We live it day by day!

St. Michael the Archangel Our School Patron

Scripture reminds us of how God commanded the angels to protect us in all of our ways; guiding our steps in life, keeping us from danger and from falling into sin. St. Michael the Archangel, the school patron of Archbishop Carroll, symbolizes the “strength of God”, and is a mighty, spiritual warrior who accompanies us on our journey. Let us daily turn to St. Michael, asking his protection for ourselves, our families and our school.

St. Michael the Archangel Prayer

**Saint Michael the Archangel, defend us in battle.
Be our protection against the wickedness and snares of the devil.
May God rebuke him, we humbly pray;
and do thou, O Prince of the Heavenly Host,
by the Divine Power of God,
cast into hell Satan and all the evil spirits
who roam throughout the world seeking the ruin of souls.
Amen.**

ABOUT CARROLL HIGH

I. Introduction: (Archdiocese of Miami (ADOM) Department of Schools) (ADOM reference) We are blessed and honored to welcome you as a valued member of Carroll High School. To answer some of your questions concerning the school's policies, the school has prepared this Parent-Student Handbook. Please read it thoroughly and retain it for future reference. The policies stated in this handbook are only guidelines and are subject to change at the sole discretion of the school, as are all other policies, procedures, or programs of the school. From time to time, you may receive updated information concerning changes in policy. However, the school has the right to add, delete or revise any school policy or procedure with or without notice. This handbook is not a contract, express or implied, and none of the policies or provisions should be construed as such. If you have any questions about the school's policies, please ask the principal for assistance.

II. Mission Statement: Carroll High, a college-preparatory institution, educates in a Christ-centered environment, forming students to reach their intellectual, physical, social and spiritual potential. We cultivate in our students a foundation of truth, goodness and self-discipline, preparing them to be contributing members of the Church and society.

III. Vision: Carroll High will provide an outstanding Catholic, college-preparatory education for a diverse student body which is characterized by academic excellence, Christ-Centered environment and family spirit.

IV. Core Beliefs:

- a. We believe in providing effective educators and instructional programs which lead students to academic excellence, offering a positive and challenging learning experience supportive of each student's potential.
- b. We believe that education is a shared partnership of the students, parents, administration and teachers in which the goal is the formation of the whole person, developing the individual's unique talents, abilities and character.
- c. We believe in providing an environment in which the profound dignity of every student is affirmed, thus enabling each one to grow in the knowledge of their worth as being created in God's image and invited to share in the Divine life with Him.
- d. We believe in providing an environment in which the Catholic faith is actively experienced so that students can grow in their relationship with Jesus Christ and are motivated to take an active role in the Church.
- e. We believe in providing a varied program of student activities to build caring communities and to foster a sense of belonging during and beyond school hours.
- f. We believe in the importance of inspiring a sense of social responsibility and Christian service within the community.

V. School Heritage: In February 1993, the Archdiocese of Miami authorized the construction of a new Roman Catholic High School in South Miami-Dade. Archbishop Coleman F. Carroll became one of the first new Catholic High Schools in the Archdiocese in nearly thirty years. Archbishop Edward McCarthy began planning for this new Catholic school in 1994. Archbishop John C. Favalora, Msgr. Vincent T. Kelly, Vicar of Education, Sr. Noreen Werner, Archdiocesan School Superintendent, the first supervising principal, Reverend Msgr. Gerard T. La Cerra and the founding principal, Dr. Richard J. Fenchak, broke ground for the new school on September 18, 1997. The Carmelite Sisters of the Most Sacred Heart of Los Angeles began serving at Carroll in 2002 and

assumed administration of the school in 2008, bringing the added dimension of Carmelite Spirituality to enhance the school's mission.

VI. Accreditation: Carroll High is a fully accredited, Archdiocesan, Catholic school founded in 1998 in Miami, Florida. It is accredited by Cognia. The school provides a coeducational, college-preparatory program in a Christ-centered environment which forms the students intellectually, emotionally, physically and spiritually. The varied curriculum meets the needs of a diverse student population, fostering academic excellence, leadership, self-discipline, integrity, and faith values.

Carroll High provides an outstanding Catholic, college preparatory education for a diverse student body while increasingly integrating technology with individualized and differentiated instructional methods in the learning process. We are intentional about helping our students experience and live Gospel values.

VII. School Mascot: During their freshman year, the Class of 2002, the first graduating class of Carroll High, chose the "BULLDOGS" as the school mascot. The bulldog represents strength of character and true to its nature, has the tenacity for holding on to the animal being hunted, no matter how difficult. The school has translated this as a virtue of temperance and fortitude of "not giving up" even in the midst of difficulties.

VIII. School Motto & Crest: The crest of Carroll High reflects the heritage and traditions of its namesake. The crest was designed at the direction of the school's founding principal, Dr. Richard J. Fenchak. The lamp signifies the quest for knowledge for all who enter into the school; the book represents the Bible, a reflection of Archbishop Carroll's motto of "First the Kingdom of God." The letters CC are the initials of Archbishop Coleman Carroll. The two crosses at the bottom portion of the crest are emblematic of the Catholic faith. The palm tree bespeaks the territory of the Archdiocese of Miami where this tree grows plentifully and luxuriously. The base of the shield displays waves, the heraldic equivalent of water, to signify that the sea encompasses Archbishop Carroll High School in the City of Miami. In the school colors of Blue, Silver and Black, the Blue stands for the Blessed Virgin Mary, the Silver represents the Stars of Heaven-for which to reach, and Black stands for the challenge to bring the Light of Christ to the darkness of the world.

IX. Electronic Acknowledgments (ADOM reference): Periodically, the school may require that parents or guardians make electronic acknowledgments confirming the receipt and/or acceptance of various policies, procedures, notices, releases or updates. Any time a parent/guardian makes an electronic acknowledgment by clicking "submit" or "accept" on an electronic document, that individual is agreeing that he/she has read, understood, and agrees to be bound by the contents of the electronic document. Electronic acknowledgments and signatures are valid and binding and may serve as consent to the contents of any electronic communication. Parents and guardians are responsible for reviewing the contents of any electronic document prior to making any electronic acknowledgments. In addition, **Parents/Guardians, by executing the acknowledgement of receipt of this Handbook, HEREBY AGREE** to receive and be bound by electronic acknowledgments.

X. Notification of Rights under FERPA (ADOM reference): The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. These rights are:

a. The right to inspect and review the student's education records within 45 days of the day the School receives a request for access. Parents or eligible students should complete the Request for Release of Student Records and submit it to the School principal [or appropriate school official] identifying the record(s) they wish to inspect. The School official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

b. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA. Parents or eligible students who wish to ask the School to amend a record should write to the School principal [or appropriate school official], clearly identify the part of the record they want changed, and specify why it should be changed. If the School decides not to amend the record as requested by the parent or eligible student, the School will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

c. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the School as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person or company with whom the School has contracted as its agent to provide a service instead of using its own employees or officials (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the School discloses education records without consent to officials of another school district in which a student seeks or intends to enroll.

d. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the School to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202-5920

XI. Open Admission Policy: (ADOM Reference): The school has an open admission policy. No person, on the grounds of race, color, disability or national origin, is excluded or otherwise subjected to discrimination in the receiving of services. Nor does the school discriminate in hiring, promotion, discharge, pay, fringe benefits, job training, classification, referral and other aspects of employment on the basis of race, color, disability, age, gender, or national origin.

XII. Parental Cooperation: (ADOM reference) The school views the education of a student as a partnership between the parents and the school. Parents and students are expected to comply with the school rules and policies, and to accept and support the authority of school officials, whether it be at school events, on or off school campus, or on social media or other public forum. Just as a parent can withdraw a child from the school if desired, the school has the right to administratively

withdraw a student if it determines at its discretion that the parent or student partnership with the school is irretrievably broken.

XIII. Confidentiality Statement: (ADOM reference) School officials including teachers, administrators and other paraprofessionals in the performance of their duties will have access to student educational records. **Parents/Guardians by executing the acknowledgment of receipt of this Handbook, HEREBY AGREE AND CONSENT** to the disclosure of such records including the nature and existence of a disability, a medical/educational diagnosis, or any associated minor adjustments or accommodations made to such school officials with a legitimate educational interest in the information.

XIV. Section 504-Policy Statement (ADOM Reference):

a. Carroll High complies with the mandate of Section 504 of the Rehabilitation Act which prohibits discrimination on the basis of disability in certain programs and activities. Pursuant to the requirements of the Rehabilitation Act, Carroll High will make those minor adjustments that can accommodate students with disabilities to the school's educational programs and activities.

b. Carroll High's designated 504 Coordinator and contact information are as follows, Dr. Jaclyn Don Caceres, 305-762-1019 and on-campus Patricia Bezold, 305-388-6700 extension 1270. Parents with questions regarding the school's disability accommodations or related items should contact the 504 Coordinator.

c. Parents may file a grievance as to any decisions related to a disability accommodation and request an internal hearing and review by sending a written notice addressed as follows:

Dr. Jaclyn Don Caceres, Associate Superintendent
Office of Catholic Schools
Archdiocese of Miami
9401 South Biscayne Boulevard
Miami Shores, FL 33138

The internal hearing and review will seek the prompt and equitable resolution of disability discrimination complaints.

XIV. Publication to Military: Federal law requires the school to provide military institutions with specific student information. Upon request the school will release senior student names, addresses, and phone numbers.

XV. Residency Requirement: All students enrolled at Carroll High must be in residence with a parent or legal guardian. The administration reserves the right to dismiss a student if he/she is not in residency with the parent or legal guardian.

XVI. Representing the Name of the School: Students and parents are prohibited from contracting in the name of Carroll High and may not claim to be official representatives of the school for any purposes.

XVII. Parental Custody Agreements and Court Proceedings: (ADOM Reference): Carroll High is a faith-based community committed to the spiritual, academic, and emotional well-being of each of our students. We believe that children flourish when the adults in their lives act with charity, discretion, and peace. Because parental disputes can be disruptive and harmful to

children—especially when they occur on campus—this policy exists to keep the school focused on its mission and to prevent custody or timesharing disagreements from occurring at school. This policy applies to the parents and the legal guardians of students.

a. School Policy on Parental Timesharing Arrangements: The school will not take sides in parental timesharing arrangements. Consequently, it will not undertake responsibility for interpreting, mediating, negotiating, or enforcing parental timesharing schedules or custody arrangements. However, in limited cases, the school may apply explicit court orders that prohibit a parent's contact with a child including no-contact and restraining orders. At its discretion, the school may take steps to prevent adult conflict from occurring in view of students or disrupting learning, worship, or school operations.

b. Parent Responsibility for Timesharing and Custody Matters: Parents have a serious responsibility to their children—and to the school community—to manage custody and timesharing arrangements without involving school faculty or staff. Accordingly:

- Parents are solely responsible for policing and enforcing their own timesharing arrangements, exchanges, and parenting-plan requirements.
- Parents must not ask, pressure, or expect teachers, administrators, coaches, or staff to:
 - “Take sides,” “verify compliance,” or determine which parent is “supposed” to have the child on a given day;
 - Refuse a child's release to a parent based on an alleged schedule violation;
 - Serve as intermediaries, messengers, or “record-keepers” for family court matters; or
 - Facilitate confrontations, negotiations, or discussions about custody on campus, at school events, or through school communication channels.
- Parents are required to resolve disputes privately (and, when needed, through their legal counsel, mediation, or the court) and not through school personnel.

c. School Access and Release to Parents: To protect student safety while remaining neutral in family disputes, the school will generally follow these standards:

1. **Equal parental access absent restriction.** Unless the school has on file a current, valid court order that restricts a parent's contact with the student (e.g., an injunction for protection, no-contact order, or other court-ordered restriction), the school will generally treat each legal parent as having access to the student, school records, and school activities consistent with applicable law and ordinary school procedures.
2. **Verification and safety procedures still apply.** All adults—including parents—must comply with campus security procedures (sign-in requirements, identification checks, visitor rules, and supervision expectations).
3. **Authorized pickup procedures.** For student safety, the school will release students to individuals permitted by school procedures (e.g., verified parent/guardian and/or individuals listed on the school's authorized pickup permissions), and consistent with any court order on file. The school's safety protocols are not an enforcement mechanism for timesharing; they are for student protection and orderly operations. Decisions about which individuals may be included on the school's authorized pickup list should be made by the parents. Disputes over such lists should be addressed by the parents (and their legal counsel and/or court order as necessary).
4. The school is not responsible for “holding” a child to resolve a dispute. If a parent appears for pickup and the school has no restraining/no-contact order or other court-ordered

restriction on file, the school is not responsible for adjudicating competing claims about which parent's day it is.

5. High-conflict situations. If repeated conflict occurs on campus or at school events, the school may require additional boundaries (for example: separate conference schedules, separate event check-in instructions, communication limitations, or a school-developed interaction plan) as a condition of continued enrollment, so that school remains a place of peace for students.

d. Court Orders, Injunctions, and Documentation: Parents must promptly provide the school with updated copies of any court order affecting: parental contact, pickup restrictions, supervised contact requirements, or communication limitations. If the school receives a valid restraining order/injunction/no-contact order restricting a parent's contact with the child or the other parent on campus, the school will follow it to the extent reasonably practicable and consistent with student safety and school operations. If an order is unclear, the school may ask the parents to obtain clarification. Until then, the school will follow its standard procedures and campus safety rules. In accordance with Florida law, the school will make student records and in-person conferences available to both parents unless a court order specifically revokes this right, in which case it is the responsibility of the custodial parent to provide the court order to the school. It is the parents' responsibility to inform the school of the address(es) where student records should be sent.

e. Testifying in Divorce or Custody Proceedings: In recognition of the importance of the matrimonial sacrament to the Catholic faith, parents agree not to compel the attendance, testimony, or deposition of any school or church employee in any divorce, custody, or other legal proceedings which may in any way involve the dissolution of marriage or the determination of parental/custody rights. A violation of this policy will constitute a breach of the parental cooperation requirement.

In the event that a parent or legal guardian breaches this policy, any school or church personnel who are required to attend legal proceedings may be represented by an attorney. In addition, any and all legal fees and costs incurred by the school will be charged and become the responsibility of the parent or legal guardian.

f. Conduct Expectations and Campus Safety: Carroll High expects all parents to model respect and self-control consistent with the school's Roman Catholic faith and values. Parents may not argue, negotiate custody, or engage in hostile communications on campus, at drop-off/pickup, or at school events. Parents must not involve students in adult disputes or request that students carry messages or documents between parents. In cases where a conflict arises at school, the school may separate parties, end a meeting/event participation, restrict access to campus for the remainder of the day, and/or require future communication through designated channels. If safety is threatened or a disturbance occurs, the school may contact law enforcement.

Compliance with this policy is an integral component of the school's overarching parental cooperation requirement in which parents and legal guardians are expected to comply with the school rules and policies, and to accept and support the authority of school officials.

XVIII. Transfers/Withdrawals: The following is the procedure necessary for a student wishing to transfer or withdraw to attend another school: A parent/guardian who originally registered the student at Carroll High must sign a withdrawal form that includes permission to release records and information to the new school. Copies of student academic records held at the school will be made available to the student's new school once all financial obligations are met, the iPad and charger have been returned undamaged (there is an option to pay off the remaining leasing balance and thus

purchase the iPad), and all withdrawal form sections are completed and signed by authorized personnel. The new school must request in writing the necessary original records from Carroll High. Five (5) business days are necessary to produce transcripts. The Principal of the school may request a meeting with the parents prior to approving the release of final student records for withdrawal purposes. The processing cost for voluntary withdrawals and transfers is \$50.00. Registration fees are non-refundable.

XIX. Undocumented Students (ADOM reference): A student's enrollment and/or graduation from school does not confer a legal status nor does it serve to regularize an undocumented student. Although the Archdiocese of Miami may assist with the completion of an I-20 form, the school does not guarantee or confer any privileges or rights available to documented legal residents. Parents should consult with immigration legal counsel if they have any questions as to immigration status.

XX. Text Messaging/Telephone Calls: (ADOM Reference) The school may use text messages and automated telephone calls to alert parents/guardians of important information related to the school's mission, operation, and activities. Parents/guardians acknowledge and consent to the receipt of these messages when providing their telephone numbers.

Parents are responsible for updating their contact information on the Parent Portal or contacting the office regarding needed updates. This is essential as most communication is sent via text and/or email.

USE OF PHOTOS (ADOM reference)

The school reserves the right to use student or parent photos in any school or Archdiocesan publication including but not limited to print publications, videos, or websites including Facebook, Instagram and other social media websites. Any parent who does not want his or her child's picture or video to be used accordingly must notify the school's principal in writing prior to the beginning of the school year.

By executing this acknowledgement of receipt of this Handbook, Parents HEREBY CONSENT, authorize and grant permission to the school, the Archdiocese of Miami, and their agents, employees or duly authorized representatives to photograph or videotape students and parents and CONSENT to their publication for any purpose deemed proper by the school, including but not limited to, use on the internet.

Additionally, Parents, by executing this acknowledgement of receipt of this Handbook, HEREBY RELEASE the school, the Archdiocese of Miami, and their corporate members, officers, employees, and agents, from any claims or liabilities that allegedly arise from or are related to the use of student or parent photos.

This CONSENT also includes authorizing the Carmelite Sisters of the Most Sacred Heart of Los Angeles to use student and parent photographs and videos in their publications.

ACADEMIC PROGRAM & POLICIES

The curriculum at Carroll High School is primarily designed for college preparation. Therefore, regular attendance, good behavior, systematic preparation, homework and parental involvement are essential to academic success.

I. Graduation Requirements:

- a. The following are core graduation requirements for students graduating from Archbishop Carroll High School with a standard diploma:

1. English – 4 credits
2. Math – 4 credits (Algebra 1 and Geometry required)
3. Science – 3 credits (Biology required; 2 classes must have lab components)
4. Social Studies – 3 credits (World History, American History, Government/Economics required)
5. Foreign Language – 2 credits (in same language)
6. Theology – 4 credits
7. HOPE – 1 credit (Health Opportunities through Physical Education)
8. Performing/Practical Arts – 1 credit
9. Electives – 6 credits

b. Students should initiate communication with their guidance counselor on a regular basis throughout the four years of high school to ensure they are on track for graduation. All Carroll High students must successfully complete credit requirements (see course requirements listed above), complete all required service hours and any outstanding disciplinary obligations in order to graduate and receive their diploma. A grade of a D- or higher at the end of the semester is necessary to earn the .5 credit for the course. Students must also maintain a cumulative 2.00 Grade Point Average (GPA) (un-weighted) or above in order to receive a diploma.

c. Middle School Dual Enrollment Credits: Approved Middle School Dual Enrollment high school credits will be accepted if the student satisfactorily passed the course with a grade of C or higher and passed the EOC. However, the grade will **NOT** be weighted into the student's GPA nor will it replace the high school course requirements for graduation from Carroll High School that are listed above. It is a parental decision to have the student re-do such courses in which the student received a grade below a B in order to provide the student with the grasp of content needed for subsequent courses. Carroll High reserves the right to require the student to take and satisfactorily pass an intermediate class prior to placing the student in the next course level based on course progression.

Online Courses

1. Online course requests may be denied if: the course is offered at the school by a Carroll High School faculty member, Carroll High School issued course fits well into the student's schedule within the student's four year academic plan, student does not meet Carroll High School's placement and pre-requisite criteria necessary to earn placement in such a course, online course requirements are deemed by the administration as not feasible or practical for the school and its faculty/staff, an approved faculty/staff member is unavailable for supervision, online course conflicts with other required courses considered by the administration to be better suited for the student, student has demonstrated or is not considered well suited for the level of independent coursework required by such courses; course is not considered suitable for student, student is considered by the administration as a risk for disruption to other students taking classes in the assigned online supervised lab, online course is offered during a period of time in which the school is closed, space in

computer lab is not available, and for any other reason determined by members of the administration.

2. Online course grades will be reported on the Carroll High School transcript. Earning an F does not earn a student credit for the course but it will appear on the Carroll High School transcripts and count towards GPA.
3. All fees for online courses are the responsibility of the student's parents. Carroll does not pay for any online courses.

II. Course Selection and Placement:

a. The Administration, in conjunction with the Guidance Department, relies on teacher input and department established criteria when determining placement for students in core courses for the upcoming school year. Admission to Honors, AP, and Dual Enrollment level courses is dependent on course/grade pre-requisites, standardized test scores, and teacher/ administrative approval. Core course placements must be determined before the end of the official school year due to scheduling requirements. Therefore, second semester final grades do not necessarily determine a student's placement. Students and parents are able to make scheduling and placement requests, but there is no guarantee that the request will be approved or that it will be made possible considering conflicts within the student's authorized schedule. Requests for placement and schedule changes will be reviewed and considered in light of the following:

1. Teacher recommendation
2. Attendance record
3. Student's behavior
4. Work ethic
5. Timely submission of assignments
6. Participation in class
7. Test scores
8. Standardized test scores
9. Completion of and grades earned in pre-requisite courses
10. Student's progress in subject
11. Availability of course/class size
12. Reason for request or change
13. Student's career goals
14. Information provided by Parent
15. Graduation requirements
16. Scheduling conflicts with other required courses
17. Previous grades earned in subject
18. University/College requirements for Dual Enrollment courses.

No schedule changes will be allowed after the first week of school. Such changes may be made for administrative reasons only. Please see the Course Catalog for detailed information on placement into various courses.

b. Advanced Placement (AP) courses allow students to take the College Board exam in that subject, for an additional cost to be paid prior to the class start or through FACTS. The cost for each AP exam/course is \$99.00. Late fees incurred due to a student's failure to register for the exam in a timely manner or need to reschedule exam will be passed on to the student. Depending on the course, there may be an additional cost for the college textbook(s). These courses give students the possibility of earning college credit for said course. Students enrolled in AP classes at Carroll High are required to take the corresponding AP exams, and are not permitted to withdraw from the course. AP students who pay for, and take the corresponding College Board Exam in May, will be

considered exempt from the course's final exam in May/June. A student who does not take the AP exam may consequently earn an incomplete "I" for the course and will be required to take the final exam in May/June.

Participation is mandatory, and practice exams will be a significant part of the student's grades in the AP class. Students who are unable to attend must provide proof of an excused absence. If a student is not present to practice exams and is not excused, he or she will receive an "F" for that exam. In order for a student to receive an AP credit and have the appropriate AP weight applied to their GPA, they must take and pass the exam with a 3 or higher.

c. Dual Enrollment Courses- In order to enroll in a Dual Enrollment course, students must apply with the Guidance Office. Students who wish to enroll in Dual Enrollment courses must have, and maintain, all the academic requirements required by the college issuing the Dual Enrollment credit. Juniors and Seniors wishing to apply to **St. Thomas University** Dual Enrollment Program must obtain an unweighted GPA of 3.0 or higher; and, students in their Sophomore year must obtain an unweighted 3.5 GPA or higher. Students in grade 9th – 12th grade wishing to apply to **Miami Dade College (MDC)** Dual Enrollment Program must have a 3.0 unweighted GPA and meet college-ready test scores. College-ready scores are a 480 (Math) and a 490 (English) on the PSAT or a 19 in both Math and English on the PreACT. Students must abide by all Dual Enrollment Guidelines required by the colleges. St. Thomas and MDC Dual Enrollment classes are taught at Carroll High School during the regular school day. Students may also attend Dual Enrollment courses at the MDC campus outside Carroll's regular school day. If students choose this option, they will provide their own transportation.

For courses taken through Miami-Dade College, outside of the regular school day, students must receive approval from their respective counselor. Courses that are offered on our campus, either via St. Thomas University or Miami-Dade College, will not be approved. Additionally, courses cannot be taken to override graduation requirements and are only to advance to higher levels. Courses will be approved at no more than one at a time during the school year and two each semester over the summer.

For courses taken through St. Thomas University during the school year, fees must be paid directly to St. Thomas University during the first month of classes. If fees are not paid by the deadline date, report cards may be withheld and the student will not receive credit.

Students will be responsible for full tuition, unless otherwise stated, and are responsible for submitting all required forms and fees by the deadlines established. Once enrolled, students must abide by all the drop/add course deadlines established by the college/university.

Before enrolling in college credits off campus, students must have written approval from the Carroll High counselor. Students who take a dual enrollment college/university course off campus, are responsible for providing Archbishop Coleman Carroll High School with official transcripts from the college or university where the Dual Enrollment course was taken. Transcript must have the college seal. Students enrolled in a Dual Enrollment course will have that course added to their Carroll High School transcripts and college transcripts even if the student dropped after the add/drop deadline, withdrew, passed, or failed the course. Students who fail a course may be placed on a one year probation before being allowed to take a second if requirements are met. The college the student ultimately attends after graduating high school will determine how to treat Dual

Enrollment credits. Thus, Carroll High School does not guarantee that all Dual Enrollment credits will be accepted by the college the student attends after graduation. Students who remain in Dual Enrollment courses offered at Carroll High School's campus, but who fail to submit proper documents and fees by the required deadlines, are not issued credit by the university but are still required to abide by all other Dual Enrollment expectations established by Carroll High School and the university offering the course.

d. Seminar Class- All students are required to participate in weekly Seminar Class. Students are expected to complete various assignments/activities related to career/college preparedness during the Seminar Class. Guidance counselor meetings and Class Meetings may also be held during the Seminar Class in order to disseminate important information to students.

e. Summer Readings/Assignments- All summer readings will be posted on the Carroll High School website. Students will be given a minimum of one (1) reading assignment during the summer. They should expect testing and accountability for these reading assignments the first week of classes. Students taking advanced courses should expect various readings and assignments to be given during the summer months. These assignments may be due on the first day of school. It is the student and parent's responsibility to access summer reading/assignments posted on our school's website.

III. Grading:

a. Academic Progress Reporting - Student academic performance is uploaded to Canvas (our Learning Management System). Canvas provides parents and students access to information about student grades, missing assignments, and course policies. The Parent Portal also provides school related information. Parents are encouraged to monitor their child's academic progress on a bi-weekly basis and to contact teachers of courses where student achievement is below average or where there are any questions or concerns regarding their child's grades, assignments, behavior, effort, etc. Any parent or student who is unable to access their child's grades or the parent portal must report the problem to the Archbishop Coleman Carroll High School I.T. Specialist at accit@colemancarroll.org.

b. Communication with Parents and Performance Updates:

1. Report cards are issued four times a year. Since report cards are e-mailed it is vital that parents update their e-mail address and contact information in the system.

2. A student's academic, attendance, and disciplinary progress may also be viewed through the Parent Portal (discipline and attendance) and Canvas (academics). Parents and students are required to activate their Parent Portal and Canvas accounts and to ensure that all emails associated with these are active emails and are checked and accessible to the student and parent on a regular basis. Changes to emails associated with these accounts can be made directly by the student/parent through the Parent Portal and Canvas websites. If a student or parent forgets the password to their account, they may contact the Carroll High School Information Technology (IT) at accit@colemancarroll.org to have the password unlocked for changes. Ultimately the parent/student will have to make their own revision to the password/username via the Parent Portal and Canvas websites. The Office of Student Affairs updates attendance and disciplinary information a minimum of two times per quarter.

3. The school will also hold Parent-Teacher Conference events each year (after the first and/or third quarter). The administration requests that parents attend both these events (may be through Zoom Conferencing), especially if their child has earned a grade of C or below in any given class. Conferences at the end of the second quarter are at the parent's discretion. If parents have any questions about grades, they should contact the teacher via email (Faculty email addresses can be

found at www.colemancarroll.org). Please note that 48 hours' notice is required to arrange for a parent-teacher appointment. In addition, teachers may phone parents at any time to inform them of insufficient work or conduct problems. Any question or concern about a report card grade must be made known to the teacher within one week of the distribution of report cards and/or the end of an academic quarter.

c. Grade Scale, Grading Symbols & Quality Point System- Grades earned will be calculated into a student's weighted and unweighted GPA using the values listed in the chart below. The Florida State Department of Education scale is used to determine graduation, athletic, and extra-curricular eligibility. Universities and scholarship entities develop and use their own weighted averages to determine admissions or scholarship eligibility. The Carroll High weighted GPA scale is used only for class rankings and for the determination of some academic awards. Any previous high school credit earned at another school cannot be accepted until an official transcript is received by Carroll High.

Grade Scale for Class of 2029 and prior:

1. Incomplete (I)- The student has not completed all the course requirements and is ineligible for issuance of course credit. In exceptional cases, administrative approval may be given, and incomplete work may be accepted by a teacher and must be submitted by the student within two weeks after the close of the grading period. Students who fail to complete missing assignments and/or who remain ineligible to take semester exams within the two-week period may not be eligible to earn course credit on their transcript.

2. No Grade/No Credit (NG)- The student did not receive a grade/credit for the grading period due to excessive absences and the student **is required to repeat the course**.

3. Grade Withheld (N) - The “N” is used to denote grades being held due to Business Office issues.

4. Exempt (X)- Indicates that the student was exempt from the semester exam. Only for Seniors’ spring semester exams or for those who completed AP examinations

d. Quarterly Honor Roll- Honor roll is determined at the end of each quarter.

1. Principal’s Honor Roll - This recognition is awarded to students who earned a 93 or above in all courses.

2. First Honor Roll - This recognition is awarded to students who earned a 90 or above in all courses.

3. Second Honor Roll - This recognition is awarded to students who earned an 87 or above in all courses.

e. Credit and Grading Policies:

1. Carroll High students are required to take a minimum of seven classes and one seminar course each semester.

2. Credit for all courses at Carroll High is awarded by semester (.5 credit). Grades from the first and second semester within the same subject category are not averaged together to determine credit eligibility. GPA is updated at the end of the 1st semester (December) and at the end of the 2nd semester (June). Semester averages will be computed by granting 40% to each quarter and 20% to the comprehensive semester examination.

3. Students who earn a grade of “F” in a core course are required to recover the course. As an Archdiocesan school, all core courses (including Theology) are considered a requirement for graduation. If the exact course is taken again, both the original grade and the new grade will appear on the student’s transcript, but only the new grade will be calculated into the GPA.

4. All courses taken outside of Carroll High (including FLVS/ADOM Virtual School/Night School/CLEP) require prior written approval from guidance/administration. Any course taken without prior approval may not be used to meet graduation requirements or be posted

on a Carroll High transcript. It is the student's responsibility to make requests for course approvals in a timely manner.

5. Carroll High transcripts report a student's cumulative GPA and earned credits, which starts with all high school courses taken during high school years.

f. Semester Examinations- General comprehensive examinations are given at the completion of each semester. Semester Examinations are computed as 20% of the final semester average. Such examinations are intended as comprehensive assessments of the content covered during a semester course. Students tardy to semester exams may not be provided with additional time in which to complete the exam. Only excused absences will excuse a student from these examinations. Any student needing to reschedule an exam due to any absence that is not medical will have a \$50 payment due per exam unless there is a medical note. Students will only have two weeks after semester exams to make-up a missed exam or risk having to retake the entire course. **Students who fail to make-up semester exams may be issued an "Incomplete = I" as the semester exam grade. A course may not be considered complete if the semester exam grade is missing. Exams will not be given prior to the school's scheduled Semester Exam.**

g. Make-Up Assignment/Assessment Policies:

1. Only assignments and assessments (tests, quizzes, etc.) missed due to EXCUSED ABSENCES may be made up by students. Therefore, it is the responsibility of parents and students to submit necessary documents within 48 hours upon return to school after a student's absence. It is the student's responsibility to get a pass from the Attendance Office that verifies their excused absence and to provide teachers with this verification of the excused absence(s). Students without excused absences are ineligible to make up missed assignments and assessments. (See Attendance Policies section)

2. It is the responsibility of the student, immediately upon their return to school, to arrange with their individual teachers dates and times to make up tests and quizzes that were given or assigned during their absence. Students are to contact peers and teachers via email to gather information about material and work missed during an absence. Any alternate due date of missed work must be discussed in advance with individual teachers, but completion of make-up work is not to surpass the amount of the days of the actual absence. It should never be assumed that the teacher will provide an extension because of an absence. For every 1 day excused absence, the student will have 2 days to make up the work. An excuse must be provided within 48 hours.

3. Students are not guaranteed that a make-up test will be identical to the regularly scheduled test. In order to maintain testing validity and security a teacher may provide a student with an alternate version of the test. Alternate versions will contain similar content and difficulty levels but may be presented in a different format than the original version.

4. In the case of prolonged illness parents are encouraged to contact teachers. The parents may collect missed assignments to bring to the student at home. Students are to check Canvas to receive all assignments posted throughout their prolonged absence. For chronic illness, refer to – *Chronic Illness – section IV*.

h. Exam Exemption Policy- An exemption from a semester examination is a privilege given to Senior students. Exam exemption is not a right, but a privilege earned through excellence in academics, conduct, and effort. Senior students may be granted an exemption from taking the semester exams given in May if they maintain a course grade of an "A-" or above during all four quarters within the same subject category (NOT an average between the quarters). The student must also earn a 80% or higher on the semester exam given in December. A cheating/plagiarism demerit disqualifies a student from this exemption privilege. Students who are eligible for an exemption from

an exam will be issued an “X” in the final exam column of their report card. This applies to all classes except Dual Enrollment and AP classes.

i. Standardized Testing: Students take part in the following standardized testing programs:

1. High School Entrance Examination (HSPT) (incoming 9th graders).
2. Preliminary Scholastic Aptitude Test (PSAT) (Mandatory 9th-11th). The PSAT is administered in October on a test date chosen by the College Board. It is only offered once, and all students must be present. PSAT scores may be used for course placement.
3. Pre-ACT (Mandatory 9th-10th) is administered in March on a test date chosen by Carroll High School and ADOM. It is only offered once, and all students must be present. Pre-ACT scores may be used for course placement.
4. Advanced Placement Tests (developed by the College Board) (if applicable). Cost per AP course/exam is \$99.00 to be paid at the beginning of the year.
5. Students applying to colleges and universities should take the Scholastic Assessment Test (SAT) & American College Testing (ACT) at least once before senior year. It is highly recommended that students take the SAT/ACT at least once during the spring of Junior year and then again during the fall of Senior year. Students pursuing State funded scholarships for college should keep up-to-date with SAT/ACT score requirement changes and score reporting deadlines. (Example: Bright Futures Scholarships). Carroll High School provides all students with one ACT exam the Spring of their Junior year and one SAT the Fall of their Senior year on a date chosen by Carroll High School and ADOM. It is only offered once, and all students must be present.

j. Private Tutoring, Coaching or Lessons:

1. **(ADOM reference)** Except as specifically noted in this Handbook, the school does not sponsor, oversee, or otherwise provide private tutoring, coaching, therapy or other similar private lessons or services. Parents who engage school staff members for the provision of these services do so at their own risk and expense and are hereby advised that such services are outside the scope of the staff member’s employment with the school. **Parents, by executing the acknowledgment of receipt of this Handbook HEREBY RELEASE the school, the Archdiocese, and their corporate members, officers, employees, affiliates, and agents from any claims or liabilities that allegedly arise from or are related to the provision of private tutoring, coaching, therapy or other similar private lessons or services, regardless of where they may occur.**
2. While private tutors may be helpful for the individual student please note that courses may not be recovered under the direction of a private tutor and/or private certified teacher.

k. Academic Remedial School/Probation/Dismissal:

1. Administration/Teachers may assign students, who are failing or demonstrate low grades in their courses, to mandatory remediation/tutoring. This is a tool used to help students that are behind in their school work. Individual teachers may also require after school tutoring. Failure to report for tutoring could result in a detention.
2. Any student who has a GPA below 2.0 (un-weighted) in a semester or has failed three or more semester courses may be placed on academic probation. Students on academic probation may have extra-curricular privileges and athletic eligibility revoked until their unweighted GPA rises to or above a 2.0. The academic probation status remains in effect for the entire academic semester and/or until the student achieves a cumulative unweighted

GPA of 2.0. A student must have at least an unweighted GPA of 2.0 to receive a high school diploma.

3. A student may be asked to withdraw from Carroll High School if the student fails three or more courses in a semester and/or has an unweighted GPA that falls below a 2.0. A student may be asked to leave at the end of any semester even if no prior probation was issued. Students may be asked to attend tutoring sessions that earn a grade of C or below in a quarter. Students in academic jeopardy may be asked to withdraw from the school even after the re-registration period. A student's dismissal or denial of re-enrollment overrides any academic improvement plans previously drafted by any member of the school's staff. The administration reserves the right to allow or ban such students from participation in any summer school program held at the school.

I. Cheating-Plagiarism-Misrepresentation:

1. **Cheating** is the copying of homework and reports from other students, the copying of books and magazines, or exchange of information on any exam, quiz, testing procedure, homework, class assignment or project. Cheating includes, but is not limited to, collaborating with another individual on an assignment, in any manner, when the teacher has not given verbal and written directives stating that students are permitted to do so. It also includes looking at a text, notes, or another person's paper during an exam, the *giving* of work or information to another student to be copied and/or used as his or her own. This includes but is not limited to, giving someone answers to exam questions, informing another student of specific questions that appear or have appeared on an exam in the same academic term. It also includes giving or selling a test, term paper, report, project, or other restricted written material to another student. Acquiring testing materials through any inappropriate means is also prohibited. Talking during an exam/quiz may be treated as if the student cheated.

2. **Plagiarism** is the attempt of an individual to claim the work of another as the product of his or her own thoughts, whether the other's work is published, or the work of a fellow classmate. Plagiarism includes, but is not limited to, improper quotations or paraphrasing text or other written materials without proper citation on an exam, term paper, project, research paper, homework, or other written materials submitted to a teacher as the student's own work. Plagiarism also includes handing in a paper to a teacher, which was purchased from a term paper service, or presenting another person's academic work as that of the student. Plagiarism includes using materials received from the Internet and trying to pass it on as one's own work.

3. **Misrepresentation** is an act of commission or omission with intent to deceive a teacher. This includes, but is not limited to, lying about family or personal circumstances in order to gain academic advantage for oneself or others; changing answers on graded materials; having another person complete any assignment, quiz, test, project, or exam.

4. Any student suspected to be cheating, plagiarizing or misrepresenting work by the teacher or staff may receive disciplinary action.

5. A Student Review Board may be called to determine what further disciplinary action may be taken, including withdrawal from Carroll High.

IV. **Artificial Intelligence (ADOM reference)**: Artificial Intelligence refers to systems that simulate human decision-making processes without direct human intervention. These systems include chatbots, machine learning algorithms, and automated tools. Generative Artificial Intelligence refers to technology that creates content including text, images, video, and computer code by identifying patterns in large quantities and training data, and then creating original material that has similar

characteristics. These AI tools have great potential but also have potential risks and ethical implications. Carroll High School recognizes the growing impact of AI on education and this policy aims to guide our students in the responsible and ethical use of AI within our community.

Before using AI, students should engage in three steps:

- a. Consultation. Students should always consult with their teacher prior to using any AI tool to determine if the task, assignment, or assessment can be completed with AI assistance.
- b. Documentation. If granted permission to use a Generative AI tool, students must document their interaction with it by cutting and pasting the conversation into a separate document that can be shared with their teacher.
- c. Citation. Where its use is permissible, students must cite the use of the Gen AI tool.

AI tools may not replace a student's work and students should be mindful to engage in ethical practices when using AI, carefully consider the validity of any AI generated content, and ensure their work product reflects their original thought and understanding. The presentation of AI generated content without a teacher's approval will be considered academic dishonesty and will result in disciplinary consequences.

IV. Conferral of High School Diploma: In order to earn the conferral of a standard high school diploma from Carroll High, a student must complete four full academic years of high school, fulfill all graduation credit requirements as listed under "Course Credit Requirements", achieve a 2.0 Florida State cumulative GPA; and have all service, disciplinary, and financial obligations met. Failure to meet these requirements will result in a senior being restricted from participating in senior events, including the Commencement ceremony.

V. Valedictorian/Salutatorian Status: In order to be considered for valedictorian or salutatorian status a student must have attended Carroll High for 3 years (6 full semesters) and attain the two highest weighted cumulative grade point averages through the end of the third quarter of senior year.

VI. Graduation Ceremony Participation: Students who fail to complete academic, attendance, and/or service hour requirements; and who have outstanding financial and/or disciplinary obligations may be ineligible to participate in graduation ceremonies. Additionally, any student that owes more than 1.5 credits towards graduation requirements may be ineligible to participate in the commencement ceremony. Students that fail to report to graduation practices, who fail to comply with grooming and attire regulations, or who arrive late to graduation ceremonies may also be denied the opportunity to participate in graduation events. (Please refer to the grooming/dress code requirements for graduation listed in this handbook.) At the discretion of the Principal some seniors may be restricted from the ceremonies due to reasons of misconduct or disciplinary action. Students who are deemed by the administration as ineligible to participate in graduation ceremonies may not have graduation fees refunded.

VII. College Application Process: The college application process is the result of four years of academic preparation, as well as counseling and information dissemination regarding the process of college selection. Students should begin applying to colleges early during the first semester of their senior year. Students should be aware of college application deadlines and procedures required by the individual colleges. Carroll High Official transcripts will be prepared within 5-days of receipt of written request. All official transcripts that are sent directly to the colleges/universities, Common APP, etc. (or held for pick-up by student) require a \$12.00 processing fee or \$25.00 for Common

App processing. Unofficial transcripts picked up by parents or students are free once per academic year and \$5.00 for all subsequent requests. Seniors will be required to submit requests for counselor and teacher recommendations, both for admissions and scholarships, at least two weeks before the deadline via Naviance. Students applying for college admission and/or scholarships online must personally request a teacher's permission prior to listing them as a reference for a recommendation letter. A processing cost may be required for any forms that are requested from files in storage. Keep in mind that universities use their own quality point system and policies when considering a student as a candidate for admissions. Also, records cannot be sent if a student's account is on hold (not cleared).

VIII. Florida Bright Futures: The students enrolled at Archbishop Carroll are eligible to compete, upon graduation, for the FLORIDA ACADEMIC SCHOLARS PROGRAM or the FLORIDA MEDALLION SCHOLARS PROGRAM. *The Florida State Department of Education (FLDOE) administers the program and makes the final determination on student eligibility.* If you have any questions, call toll-free the FLDOE Office of Student Financial Assistance at 1-800-827-2004. FLDOE Home Page is www.Floridastudentfinancialaid.org. Along with the SAT/ACT scores the "Bright Futures" Scholarship Program also uses their own quality point system in order to determine a student's scholarship eligibility. These requirements may change annually and can be found on the Florida Bright Futures website. It is the responsibility of the student to ensure they complete their application and submit qualifying scores.

IX. Guidance Department

Records:

a. Cumulative Folder- In addition to the official transcript, a folder is maintained on each student. This folder is active only while the student is enrolled and is subject to the same examination as the transcript. Upon the student's departure from school, this folder becomes inactive. A separate folder may contain written excuses, permission slips, results of conferences, and other items of this nature. Having passed the student's graduation date, some of the items in this file may be destroyed.

b. Release of Student Information- Unless we hear otherwise from the parents, the school's administration assumes the permission to release student information, including but not limited to a student's home address, for the purpose of scholarships and other academic opportunities. (Please refer to FERPA laws noted in this handbook.)

c. Student Records- The cost of issuing official transcripts is \$12.00 each. In addition, there is a processing cost of \$10.00 per request for the issuance of any forms that are requested from files in storage (Health forms, copies of baptismal records, etc.). Parents/students must officially request student records in writing with the Guidance Department or via parchment. All requests for student records require a minimum of five business days for processing. In the case of divorce, the school may send all school related documents (report cards, transcripts, etc.) to the student's primary address. Such documents may be sent to the address listed as the primary residence listed on the student's emergency card. A second set of documents can be picked up at the school. Parents are responsible for providing the school with a copy of any court order dealing with custody issues. The school will seek to comply in good faith with any court order regarding custody and parental access to school records.

Services:

a. The Guidance Department at Carroll High School focuses on a holistic approach that entails providing each student with the necessary tools and values to promote academic, spiritual and

personal success. Each student is assigned a school counselor, beginning their freshman year, and a college counselor beginning their junior year. The school counselors follow the students throughout the four years of high school progression. This includes assisting students with their adjustment into high school commencing in 9th grade, academic advising throughout, and all college preparatory needs during their senior year of high school. In addition, counselors assist students with personal, social, emotional, or behavioral needs to ensure the wellbeing of the student.

b. Within the Guidance Department, the Accommodations Support Specialist provides the necessary support to students eligible to receive accommodations within the classroom setting and during standardized testing situations. Appropriate documentation for eligibility is necessary and yearly meetings are conducted with the parents and students to write new plans. The Accommodations Support Specialist also provides assistance and support for teachers in their classrooms as it relates to students and accommodations. The specialist works closely with students, parents, and outside agencies throughout the four years of high school and during transition to post-secondary education.

c. Students may request appointments with their counselors at any time during these designated hours (Monday- Friday, 7:30 a.m. – 7:55 a.m.), (Wednesday & Thursday, 1:45 p.m. – 3:30 p.m.), (Monday, Tuesday, & Friday, 3:00 p.m.- 3:30 p.m.), or during an elective class period as permitted by their teachers unless it is of an urgent nature in which case they will be seen immediately. Other scheduled appointments can be initiated by parents, counselors, faculty, or administrators as needed.

ATTENDANCE POLICIES

I. School Hours: School commences at 7:55 AM. The normal school day ends at 3:00 PM on Monday, Tuesday and Friday, and at 1:45 PM on Wednesday and Thursday. School offices close at 3:30 PM. Parents and students are responsible for checking the school calendar, Parent and Student Portal, and Canvas on a regular basis for weekly activities and special dismissal times.

II. Attendance:

a. It is an important responsibility of students to attend **and be on time to** school daily. Absence from **and arriving late to** school are a serious interruption of the educational process and therefore is justified for serious reasons only. School is maintained for 180 days exclusive of holidays. **Students are expected to be in attendance and on time every day of the school year.** In addition, the State of Florida Education Department requires strict adherence to attendance policies, specifically for students participating in the K-12 Scholarship Programs (Family Empowerment Scholarship-EO, Family Empowerment Scholarship-UA, and others), in order for the students to remain eligible for the scholarships.

b. Exceptions due to prolonged illness will require verification by a doctor on letterhead and must be approved by the principal.

c. Students must be present for one-half day by 11:00 AM (Monday, Tuesday and Friday) and 10:00 AM (Wednesday and Thursday) in order to participate in any school-sponsored activity including athletic practices and games. In addition, during competition, performances or games, students should not be tardy to school or they may lose their ability to participate in the activity.

d. Students that accumulate over 10 absences within a semester will be denied credit for the particular course or courses and will have to repeat the class by attending in-person Spring School, Summer School at Carroll, or do it virtually thru Florida Virtual School or ADOM virtual school at the parents' expense. Carroll does not pay for courses students are required to retake. Attendance is taken by class period. Thus, habitual early dismissal and/or tardies to school may prohibit students from receiving credit for that class.

- e. In the event of an absence, it is the responsibility of the student to:
1. Bring a medical or parental note to the Office of Student Affairs within 48 hours of returning to school. Failure to do so may result in an UNEXCUSED ABSENCE. Verifiable illness or death in the immediate family is classified as an EXCUSED ABSENCE. Note that the student and parent have 48 hours to remove the unexcused absence if it is due to a lack of a note. Notes must identify the student's name, the student's I.D. number, and the date of the absence(s) and have a parent/guardian signature. **Parents may only excuse up to three absences per semester.** After the third (3rd) absence, only medical notes on official letterhead will be accepted. Medical notes are subject to verification and must be originals. Any discovery of plagiarized medical notes can result in disciplinary action.
 2. Once students that were absent bring a note, the Attendance Coordinator will decide to classify the absence as either excused or unexcused.. If the absence is excused, the Attendance Coordinator will issue an Absent Verification Form to the student that he/she will show it to all teachers in the classes the student missed on a particular day(s).

NOTE: Florida Statute 232.10 requires that the parents of a compulsory age student must report and explain the reason for the absence and that failure to do so may be legal evidence of the student's being absent with the consent and help of the parent.

III. Attendance Procedures: Students should be in the classroom and in their seats when the bell rings at 7:50 AM. Students entering the classroom after the last bell at 7:55 AM are to be sent to the Attendance Office to receive a Late Pass Form. Teachers may NOT allow a student who is tardy to enter the classroom unless the student presents a Late Pass Form issued by the Attendance Office. Students tardy to class (any period) will be assigned detention for every three unexcused tardies to class. Additionally, students who miss class work, quizzes or tests as a result of unexcused tardiness to class may not make up such work. A teacher may also deduct points for tardiness from a student's participation grade.

IV. Chronic Illness: Serious health problems or chronic illnesses must be discussed with school officials early in the year. If a student contracts a contagious illness (e.g. mononucleosis) the parent must report it to the administration (Principal or Dean, Student Affairs) and the parent must submit a letter of non-contagion upon the student's return. **SERIOUS HEALTH PROBLEMS MUST BE DOCUMENTED IN THE ATTENDANCE OFFICE. A PHYSICIAN ON LETTERHEAD MUST DOCUMENT ABSENCES IN WHICH THERE ARE THREE (3) OR MORE IN CONSECUTIVE ORDER AND ALL ABSENCES AFTER THREE (3).**

V. Early Dismissals:

a. Students may not be dismissed within one hour of the daily dismissal time. Thus, students cannot be dismissed between 2:00-3:00 on Monday, Tuesday and Friday and 12:45 - 1:45 on Wednesday and Thursday.

b. **Only individuals listed on the student's database may be given permission to pick up a student.** It is the responsibility of the parent/guardian to update the database as needed. To update this list parents must contact the Office Manager in person or via a written request. Students may not be permitted to disturb classes to make arrangements for an early dismissal. Other students may not be dismissed to provide rides. Students with Early Dismissal are not permitted to leave school in an Uber.

c. For students that drive, a letter must be sent to mperez@colemancarroll.org 24 hours in advance that they will be leaving early. If this is not sent, a parent or guardian will be required to physically visit the school and sign the student out.

d. Students are required to attend all assemblies, and all Masses or religious gatherings held during school hours.

e. Students that drive to school will be afforded only two emergency parental dismissals [by fax, e-mail (request scanned with signature), or prearranged note] per semester. Parental notes, faxes, and/or emails (request scanned with signature) must be presented to the Attendance Office so that they can be properly processed. A member of the school staff may contact the parent at the numbers listed on the student's database in order to confirm the validity of the note/fax. If a parent or guardian cannot be reached with the contact information officially on the student's database, the student may not be allowed to leave campus.

f. Students who drive to school must understand that once they have driven onto school property, they are not allowed to drive off property without proper permission. Students who drive to school cannot leave school early unless a note is provided by the guardian of the student 24-48 hours prior to the dismissal. Emails on the same day of the desired dismissal will not be accepted.

g. There will be no early dismissals during semester exams or standardized testing unless the administration has determined that it is an emergency situation.

VI. Illness: Students who become ill during the day should report to the Office of Student Affairs. No student may leave the school to go home during school hours until the parent/guardian has been contacted and proper permission has been granted to release the student. The permission must be followed by a written excuse the day the student returns to school. Other students may not be dismissed to provide rides.

VII. Leaving School: The school day begins when the student arrives on the school grounds. No student may leave the campus during the school day, including the lunch period.

VIII. Make-Up Work: Please review Make-Up Policies under the Academics section of this handbook and paragraph II d., of the Attendance Policy section of this handbook.

IX. Pre-arranged Absences: If a student must miss school for reasons other than sickness, a note from the parent is required at least THREE DAYS in advance. Lacking these arrangements, the absence may be considered unexcused. The school and faculty look upon absences from school other than for illness as being detrimental to the best interest of the student. Travel should be arranged in such a way as to not interfere with the time the student should be in class. Such activities are best scheduled during vacation time or after school hours. If the situation is an emergency, the Dean, Student Affairs must be notified as soon as possible to request a permitted excuse utilizing the Request for Pre-Arranged Absence Form. **Vacation, non-school athletic travel team activities, and religious missions/pilgrimages are not considered as an excused absence.**

X. Tardiness:

a. All students arriving after 7:55 AM must report directly to the Office of Student Affairs in order to pick up a late slip. Teachers may not be allowed to admit a student in class after 7:55 AM without a Late Pass Form. Students may be recorded as absent for the school day until a Late Pass Form is picked up.

b. A parent may excuse a tardy to school up to three times per semester. Parental excuses must be submitted in writing within 48 hours of the tardy. Written excuses submitted after the 48-hour period may not excuse a student's late arrival.

c. Students that accumulate unexcused tardies may be assigned a one hour detention.

- An accumulation of 3 unexcused tardies in a quarter, the student may be assigned 1 hour of detention.
- An accumulation of 6 unexcused tardies in a quarter, the student may be assigned 3 hours of detention.
- An accumulation of 9 unexcused tardies in a quarter, the student may be assigned an indoor suspension.
- Students that accumulate over 12 or more tardies in a quarter may lose privileges such as attendance to field trips, suspension of participation in extracurricular activities (clubs, athletics, student government, etc.)

d. Students may also be placed on disciplinary probation if the behavior becomes excessive. Additionally, students that accumulate excessive tardies throughout the school year may face loss of privileges and/or administrative withdrawal.

XII. Truancy: Truancy is defined as a student who has 15 unexcused absences within 90 calendar days (a semester) with or without the knowledge or consent of the student's parents. If a student is truant, the student is subject to disciplinary consequences, up to and including administrative dismissal, and not receiving credit for academic courses due to excessive absences.

XII. Drop-off/Pick-up from school:

a. Parents are required to make arrangements for picking up students immediately upon the end of the school day, after athletic practices, games, and club activities. Specifically, please note that **it is the responsibility of the parents to provide transportation to and from school and to pick up the students at the proper dismissal time and at the designated drop-off and pick-up areas. Please do not drop-off or pick-up students outside the school gates.** Students walking to or from campus are to use the designated walking lanes.

b. Students are to arrive on campus no earlier than 6:30 AM and leave campus no later than 3:30 PM. There is no guarantee of supervision prior to 7:30 AM or after 3:15 PM, unless the student is participating in a school sanctioned and supervised activity (sports practice, club project/meeting, etc.). Parents are to pick up their students as close to dismissal time as possible. Students that are not involved in a sanctioned school activity under the supervision of school staff are to wait for pick-up at the breezeway.

c. Students participating in extra-curricular activities are to report immediately after dismissal to the location assigned for that activity. Those not participating in an extra-curricular activity after school are to go home immediately after dismissal. It is the parent's responsibility to check for early/half-day dismissal dates and times. Such dates may be listed on the school calendar, posted to the school website, and/or announced via email/text messages. We ask that parents also adhere to dismissal times that are communicated through the Bulldog Bulletin and the school email/texting system. All parents are expected to update their email and phone numbers on a regular basis to facilitate such communication.

d. Students may not be signed out after 2:00 p.m. (Monday, Tuesday and Friday) unless there is an emergency. On Wednesdays and Thursdays, students may not be signed out after 12:45p.m.

XIII. Transportation Arrangements (ADOM Reference): Parents hereby acknowledge and agree that the school does not provide or arrange for student transportation to or from school, except as

specifically set forth in writing by the school. Student transportation to and from school each day is a parental responsibility. The school does not authorize or endorse any private transportation arrangements. In limited and documented circumstances, a parent may engage a commercial transportation company to transport a student from school; however, any such engagement requires the written authorization of the school and the execution of school documents allowing for such an arrangement. Except upon the written consent of the school, parents should not utilize internet-based transportation services (such as Uber or Lyft) to transport students to/from school and school-sponsored activities.

XIV. Uber/Lyft Restrictions: In accordance with these companies policy, minors under 18 are not permitted to ride in Uber/Lyft vehicles unless accompanied by an adult.

CODE OF CONDUCT FOR STUDENTS

I. GENERAL:

a. Carroll High School is committed to maintaining a safe, respectful, and disciplined learning environment. In order to uphold these standards, the school administration is empowered to fully investigate allegations of student bullying, misconduct, threats of violence, and other concerns that may impact the school community. As part of this process, school administrators may conduct inquiries, review relevant information, and interview students as necessary. Students are expected to cooperate fully with any investigation. The school may also involve parents or guardians at its discretion. The failure to comply with an investigation or provide truthful information may result in disciplinary action. (ADOM reference)

b. In addition, students and parents are expected to behave consistent with the mission, philosophy and spirit of the school and the moral teachings of the Catholic faith as determined by the Archbishop of the Archdiocese of Miami. Because the school cannot anticipate all conduct that violates this policy, it reserves the right to take any form of (1) student disciplinary action, including administrative withdrawal, and/or (2) restrictions against any behavior that violates this policy, even if not specifically stated in this handbook. (ADOM reference)

b. The disciplinary policies and procedures set forth in this handbook provide guidelines that the school may, in its discretion, employ in regulating student conduct. **They do not however limit the school's right to freely and fully exercise any and all disciplinary action, including administrative withdrawal, against any behavior that violates this policy, even if not specifically stated in this handbook.**

II. Parental Responsibilities: Parents are expected to support the discipline policies of the school, realizing that their purpose is to promote acceptable and productive behavior. Carroll High believes that the ultimate responsibility for a student's behavior rests with the parents/guardians. The administration anticipates that the parents will be concerned and cooperative in dealing with behavioral problems and expects that this cooperation is made apparent to the student. We ask our parents to always be certain that they have all the facts from teachers and administrators before forming a final opinion.

III. Student Responsibilities:

a. Carroll High has the authority to make reasonable and necessary rules governing the conduct of students in school. All students are considered to be under the jurisdiction of these regulations while going to, remaining at, and returning from school. This includes all school-related activities

and functions on and off our campus. Students are expected to behave like Christian ladies and gentlemen and reflect pride in membership of our Roman Catholic community of faith.

b. Students whose conduct is unsatisfactory and who violate good order and common sense are subject to disciplinary action. Students who are persistently and habitually troublesome, unruly, or uncooperative, or who refuse to improve after counseling or reprimand, make themselves unwelcome. Serious rule violators or repeat offenders may be referred to the administration for disciplinary action. The school retains the right to discipline students and to refuse re-enrollment for the next school term. Students may be asked to immediately withdraw from school if the situation is of a very serious nature or consistently habitual.

c. When off campus (including transportation and field trips) and during non-school hours, students who behave in a manner that reflects unfavorably upon Carroll High or is in contradiction to the school's principles or are unlawful, may be subject to disciplinary action, including administrative withdrawal.

d. Respect shall be shown towards all students, faculty, and staff members at all times. Students are not to be threatened or frightened by other students. Gang members or any student associated with gang members may be immediately administratively withdrawn. Demeaning, degrading, inappropriate, obscene or sexual remarks to another student, teacher, employee or agent are considered a serious violation of our school philosophy. Anyone interfering with a safe environment may be subject to dismissal.

IV. Anti-Bullying Policies (ADOM reference):

a. The school is committed to promoting a safe, healthy, caring, and respectful learning environment for all of its students. As such, bullying is strictly prohibited and will not be tolerated. Therefore, this policy prohibits any unwelcome verbal or written conduct, or gestures directed at a student by another student that has the effect of:

1. Physically, emotionally, or mentally harming a student;
2. Damaging, extorting or taking a student's personal property;
3. Placing a student in reasonable fear of emotional or mental harm;
4. Placing a student in reasonable fear of damage to or loss of personal property; or
5. Creating an intimidating or hostile environment that substantially interferes with a student's educational opportunities or the Catholic mission of the school.

b. Definition:

1. **Bullying** is the willful and repeated harm inflicted upon another individual which may involve but is not limited to: teasing, name-calling, slurs, rumors, jokes, false accusations, intimidation, stalking, innuendos, demeaning comments, pranks, social isolation, gestures, cyber-bullying or other verbal or written conduct. Cyber-bullying includes the following misuses of digital technology: teasing, intimidating, or making false accusations about another student by way of any technological tool, such as sending or posting inappropriate email messages, instant messages, text messages, digital images or website postings (including blogs and social network sites). Bullying reflects a pattern of behavior, not a single isolated incident.

2. This definition includes students who either directly engage in an act of bullying or who, by their behavior, support another student's act of bullying.

c. Scope: This policy prohibits bullying that occurs either:

1. On school premises before, during, or after school hours;
2. On any bus or vehicle as part of any school activity; or
3. During any school function, extracurricular activity or other school sponsored event or activity.

d. Reporting Complaints: Each student and parent has a duty to report any bullying to the school immediately. If a student experiences (or a parent witnesses or learns of) any incident of bullying, the incident must be promptly reported to the school principal or Dean of Students. The principal/Dean of Students will provide the student/parent with the Bullying Complaint Report Form (The form is found in the Carroll High School website under Parent/Student Forms in the Campus Life window) which must be completed, dated and signed by the complaining party so that the school may initiate further inquiry, when appropriate.

e. Disciplinary Action: Any student found to have violated this policy may be subject to appropriate disciplinary action, which may include: temporary removal from the classroom, loss of privileges, detention, counseling, parent conference, suspension, administrative withdrawal, and/or notification to appropriate authorities. The disciplinary action may be unique to the individual incident and may vary in method and severity based on the principal's discretion.

f. False reports or accusations of bullying also constitute a violation of this policy and may subject the offending party to appropriate remedial action which may include, but is not limited to, the assessment of costs incurred by the School in its investigation and review of any reports deemed to have been made in bad faith.

g. Bullying/Harassment Investigation Disclosures: While the School generally prohibits the nonconsensual disclosure of information contained in educational records, limited exceptions apply including for the disclosure to victims of bullying or harassment when disciplinary sanctions or other measures relate directly to the victim. Parents hereby consent and acknowledge that the School may, pursuant to this exception, disclose to the victims of harassment or bullying, and to their parents, any information related to disciplinary sanctions and/or bullying at issue regardless of whether the matters disclosed are part of an educational record.

V. Cooperation with Legal Authorities: It is the practice of the school to cooperate with any local, state, or federal investigators or law enforcement officers that contact the school in the course of any criminal investigation. The school will attempt to notify the parents of any student sought to be interviewed in the course of a criminal investigation on the school premises, unless directed by an investigator or law enforcement officer to the contrary, which is usually the case in investigations involving sexual or physical abuse. The school will attempt to have a representative present during such an interview unless the investigators do not permit this, which is often the case in investigations involving sexual or physical abuse.

VI. Disciplinary System: The disciplinary policies and procedures set forth in this handbook provide guidelines that the school may, at its discretion, employ in regulating student conduct. They do not, however, limit the school's right to exercise freely and fully any and all disciplinary measures, with or without prior notice or warning, including withdrawal from school at the sole discretion of the school administration. Carroll High reserves the right to ask any student to withdraw. Disciplinary consequences will be based on the severity of the violation and the amount of demerit violation points accrued by the student. The administration reserves the right to use any of the following as penalties by themselves or in combination:

a. **Demerits System:** This system exists for the purpose of assisting students in making good choices toward enhancing their academic, social, and behavioral well-being, as well as the development of their character. This demerit system provides students with grace and an opportunity to improve and change their behavior, while also providing valuable accountability. Steps may be skipped based on the severity of the offense. Alternative discipline may also be instituted at any time, such as cafeteria clean-up duty, suspension from athletic practice/play, or

extracurricular activities. These alternative forms rest solely at the discretion of the administration. A conference with parents can be requested, and/or a student may be placed on a probationary discipline contract at any time. Once a student is placed on probation, the next offense may result in the student being asked to leave Carroll High. At the end of each semester, an administrative review of student discipline/academic performance will be conducted. This review will include input from the discipline record and the administration. At the discretion of the administration, a student may be placed on probation or may be asked to withdraw. Carroll High reserves the right to make changes to this system at any time.

1. Overview of Demerit System:

- Each infraction has a demerit value. (Some infractions are assessed multiple demerits – i.e. skipping class.)
- See the chart below for the discipline infractions per demerit numbers.
- Each student begins the year at zero demerits.
- Demerit numbers renew each school year.
- A list of demerits for each offense is available. Because the school cannot predict every infraction, the school reserves the right to issue demerits as needed.
- When a student has an infraction, it is written up and stored in PowerSchools and communication is sent to the student, parent/guardian, and the instructor/coach/or administrator issuing the infraction. No demerit or discipline ever goes on a Coleman Carroll college transcript.

b. Detentions: Detention is an acceptable reprimand for student violations of school and/or classroom rules. The detention is both a time of reprimand and a time of reflection on the need for the existence and observance of school regulations. Riding a bus/van, or having a ride is NOT an excuse to miss detention. Students and parents are responsible for making appropriate transportation arrangements so that the student can attend detention on the assigned date. **Athletic practices/games, extra-curricular events, or work are not acceptable reasons for missing detention.** Not serving assigned detentions could result in the withholding of grades and transcripts until they are served. There are two types of detentions explained below:

1. One Hour After School: When assigned an after-school detention, the student reports to a specified location on campus 5 minutes after the last bell of the day and serves a one-hour detention on Wednesdays. Students will be required to bring their class materials and complete any school work. If no school work is brought, the supervising teacher will provide the task to complete.
2. Three Hours After School: This type of detention is used when students habitually demonstrate inappropriate behavior. Three Hour Detentions will be held after school on Thursdays from 2 PM - 5 PM. Students will be required to bring their class materials and complete any school work. If no school work is brought, the supervising teacher will provide the task to complete.

*** If a student refuses to follow the directives of the supervising teacher in the detention room, the student will be subject to serving additional detentions**

until the directives are completed. Parents will be contacted and a meeting will be arranged with the Office of Student Affairs.

c. Loss of School Privileges: Students may be denied participation in extra-curricular events, athletic events, and class activities as a penalty for violating school regulations. Students who have earned excessive demerit points as determined by the school administration may lose specific privileges for a determined amount of time. Loss of privileges may be revoked from a current or upcoming school year. Senior privileges, like Grad-Bash, Senior Prom, and other senior activities may be revoked for any senior who accumulates excessive tardies, absences, and demerits during their senior year.

d. Disciplinary Probation: A student may be placed on disciplinary probation for serious or habitual disciplinary offenses. Students who are placed on probation are asked to sign a formal document of “probation” outlining the terms and conditions of probation. Parents and/or guardians witness and countersign the probationary document. Failure to adhere to the probationary contract may subject the student to being asked to withdraw from the school. Parent failure to withdraw the student may result in administrative withdrawal.

e. Suspensions: A student may be suspended from school for a serious violation of rules, accumulation of demerit points or habitual conduct problems. Students may also be suspended while the administration investigates an incident. Parents are notified of the internal or external suspension. Time missed for an external suspension is recorded as an unexcused absence. Any student who is suspended (external or internal) is not allowed to participate in any athletic practice/game or other extra-curricular activities. Suspensions must be approved by ADOM Superintendent.

1. External Suspensions: A student placed on external suspension may not be permitted to return to classes until his/her parents have met with school authorities to discuss the situation. Class work (including tests and quizzes) may be made up. Due to the nature of an external suspension teachers may not have enough time to prepare work for the students to take home during their suspensions, therefore it is the student’s responsibility to acquire information missed during the suspension and to make-up assignments and assessments missed upon their return. All make-up assignments and assessments must be completed in a span equal to the length of the suspension. A zero may be issued for any work that is not made-up during the time span allotted. An external suspension also bars the student from being on the school premises or at any game/function of the school (at home or away) for the duration of the suspension.

2. Internal Suspensions: Students are required to turn in their cell phone to the supervising staff upon entering the Internal Suspension room. All class work completed during an internal suspension (including tests and quizzes) will be made up. Students on internal suspension must submit work to teachers on the day in which it is due unless alternate arrangements have been approved by the teacher. It is always the student’s responsibility to gather any information missed during the suspension and to submit all work on time. Students on internal suspension can expect to complete tests and quizzes while they are on suspension. Being on suspension does not grant the student extensions on deadlines. Failure to submit work in a timely manner may result in a zero.

f. Administrative Withdrawal: The Administration may recommend students for administrative withdrawal, but only the Principal has the authority to administratively withdraw a student. The

Student Review Board may also recommend student dismissals to the Principal. The Principal may give the student and parents the option to withdraw in lieu of an administrative withdrawal. If a student is not withdrawn when given the option to withdraw, then the student may be administratively withdrawn.

g. Student Review Board (SRB): The school reserves the right to review a student's academic, attendance and disciplinary record at any time. The Student Review Board may be composed of faculty, staff, and administrative members and is established to advise and make recommendations to the Administration on admissions, academic, attendance, and disciplinary matters. The Office of Student Affairs convenes the committee as needed.

OTHER DISCIPLINARY POLICIES AND RULES:

I. Candy, Drinks, or Food: Candy, drinks (other than water), or food of any kind is not permitted in the classrooms. Any student who violates this rule may receive disciplinary action. Students may carry a clear water bottle in their backpack, but water may only be taken in-between classes/before a class begins. Water bottles may only contain water and are not allowed on student desks. All water bottles must be properly sealed to avoid spillage.

II. Cell Phone/Smart Watch Policy:

The respectful, non-disruptive use of cell phones is permitted in the school cafeteria during lunch period.

Parents/Guardians, please note you can contact your child via their cell phone during their lunch period. In the event of an immediate emergency, please call the school's main office at (305) 388-6700.

Cell phones/electronic devices may serve as an outstanding instructional tool and learning resource if used appropriately. However, it has been proven that students who are on cell phones or other electronic devices when it is not part of the instructional lesson are not fully engaged in learning. In order to preserve the teaching and learning environment, this document is to clarify the cell phone/electronic devices policy for Archbishop Carroll High School:

Students using cell phones or other functions on electronic devices (smart glasses/watches) in any manner that disrupts the educational environment, from within or from outside the classroom, or violates the rights of others, including, but not limited to, using the device in violation of our academic honesty policy, violating school conduct rules, harassing or bullying staff or students, photographing, video recording, or voice recording or using their device for unlawful purposes will be subject to suspension and/or expulsion.

1. Cell phones are prohibited from use in classrooms and any other area in which academic work is being done unless otherwise instructed by the teacher.
2. Cell phones are not to be used in bathrooms.
3. Wired/wireless earbuds and headphones may not be worn in the hallways or classrooms unless otherwise instructed by the teacher.
4. Smart glasses are not allowed to be worn any time during the school day or school activities.

5. If a cell phone/ electronic device rings, vibrates, or is used for any reason without teacher permission, or is visible anytime during class time or if you are caught using it on campus during class time, in the hallways or in a restroom, a staff member may confiscate the device.
6. It should be noted that, the school nor any of its employees are responsible for the loss or damage to any student's phone or electronic device whether that device is in the student's possession or confiscated by the staff. It is the responsibility of the student to adhere to this policy and to secure their belongings at all times. ***Classes and or instruction will not be stopped to deal with or search for lost phones/devices.***

During the school day (except during the student's lunch period), cell phones need to be put away and turned completely off. Violation of the cell phone rule as stated above will result in the confiscation of the device according to the following ladder of disciplinary action:

1. **First Offense:** Cell phone will be confiscated, and the device will be held in the Attendance office until the end of the school day. Students will receive disciplinary action as determined by the Dean.
2. **Second Offense:** Cell phone will be confiscated and will remain in the Attendance office until Friday. Parents will be contacted, and students will receive disciplinary action as determined by the Dean.
3. **Third Offense:** Cell phone will be confiscated. Parents will be contacted, and the confiscated device will remain in the main office until it is picked up by a parent or guardian.

It should be noted that refusal to surrender a cell phone or any other electronic device when directed to do so by a school staff member, teacher or administrator is a violation of our school's Code of Conduct. Insubordinate behavior is punishable by suspension or Administrative Withdrawal.

III. Driving/Parking Policies:

a. Being able to bring a vehicle on campus is a privilege, not a right. All students who park or drive on the school campus must register the car and receive a permit and decal from the Office of Student Affairs. This procedure includes a parental permission form, a copy of the student's driver's license, a copy of the car registration and a proof of insurance coverage and a one hundred and fifty-dollar (\$150) fee. Parking spots will be assigned on a first-come/first-serve basis. Students who park in an unassigned space may be subject to towing at the owner's expense. Parking forms are available in the Office of Student Affairs. Parking permits are non-transferable. Students requiring a temporary parking permit may be charged a \$5 fee per day.

b. All rules of driving must be observed while on campus including the 5-mph speed limit. Dade County officers will be permitted to patrol the campus for enforcement. Speeding, parking in the wrong space, blocking traffic, reckless driving, riding on the hood of a vehicle, or other reckless usage of the privilege may result in a fine, disciplinary action and/or loss of parking privileges. Habitual violations may result in the loss of parking privileges. **Furthermore, students who drive to school and accumulate three (3) or more unexcused tardies to school in a semester will be assigned one hour detentions.**

c. Students are not permitted to linger in the parking lot before the school day begins or at the end of the day. Students are not permitted in the parking lot during school hours without the permission of an administrator.

IV. Drug and Alcohol Policy (ADOM reference):

a. The use or possession of illegal drugs or illegal mood-altering substances, alcoholic beverages, drug-related paraphernalia, or the abuse of prescription or over-the-counter drugs by any student on school property or while attending or participating in any school-sponsored activity or at any time the student is wearing a school uniform is forbidden. Transgression of this rule will result in disciplinary action, which may include administrative withdrawal from the school, even for a first offense.

b. Any student selling/distributing drugs/illegal substances on school property or at school functions may result in a disciplinary response, up to and including administrative withdrawal.

c. The school is committed to a drug-free environment. This commitment may, under some circumstances, prompt a need for testing of students for evidence of substance abuse. It may also involve the use of drug dogs and other methods at the discretion of the school administration which seek to deter the use and /or distribution of illegal drugs or alcohol.

d. If a student exhibits the symptoms, or is suspected of substance abuse, the school may require that the student undergo substance abuse testing at the parents' expense. If the results of the test suggest abuse (and the substance was not used on or brought to campus or a school related activity), the school will normally use this information to help the student seek assistance. Refusal to participate in such a test may result in administrative withdrawal from the school.

e. At times, the school may choose to conduct random drug testing of the student body at the parents' expense.

f. A school may conduct random searches as set forth in this handbook.

g. **THE ADMINISTRATION AT CARROLL HIGH RESERVES THE RIGHT TO ALSO IMPLEMENT THE FOLLOWING MEASURES (Carroll High reference):**

1. Use narcotic canines to assist in the searches for drugs.

2. Invite police and legal authorities to the school to help investigate cases where possession or use of drugs is suspected.

h. **THE ADMINISTRATION AT CARROLL HIGH IS COMMITTED TO HELPING THE STUDENT OBTAIN ASSISTANCE, AND THUS ALSO RESERVES THE RIGHT TO ENFORCE ANY OF THE FOLLOWING PROCEDURES (Carroll High reference):**

1. A mandatory drug test may be required at an independent laboratory of the school's choice. The results will be sent directly to the administration. All testing will be done **at the family's expense**

2. Students that test positive for a drug test may be put on probation, and will be assigned 3 Thursday detentions.

3. The student must submit to subsequent random testing as long as the student attends Carroll High. All testing will be done at the family's expense.

4. A second positive testing of the student may result in immediate administrative withdrawal.

5. The student may be required to meet with a counselor or administrator on a regular basis as long as the student attends Carroll High.

V. Facilities: Care of school property is each student's responsibility. A spirit of pride in the beauty of the school should prompt all students to contribute their share in keeping the lunch area, halls, stairways, and restrooms clean. Damage resulting from carelessness requires restitution. A student defacing school property is punished according to the seriousness of the damage even to the point of administrative withdrawal. If students find anything out of order, they are to report it to a teacher or the Office of Student Affairs immediately.

VI. Fighting: Fighting is not tolerated. Any student involved in fighting on campus or at any school-sponsored activity may be subject to immediate suspension, and/or probation, or dismissal from school. Assault or unprovoked attacks also may be subject to immediate administrative withdrawal. Students may be externally suspended while an investigation is taking place. Students who threaten staff members with verbal or physical harm may be subject to dismissal from school.

VII. Hallway/Corridor Pass: Students must use an electronic hallway pass (Smartpass software) issued by their teacher whenever they leave class.

VIII. Harassment and Discrimination Policies (ADOM reference): The school is committed to providing an environment that is free of discrimination and harassment. In keeping with this commitment, the school will not tolerate harassment or discrimination on the basis of a person's protected status, such as gender, color, race, ancestry, national origin, age, physical disability, mental condition, marital status, veteran status, citizenship status. All employees, faculty members and students are protected under this policy. In addition, this policy applies to all conduct occurring on school grounds, at assignments outside the school, or at school-sponsored events. All students are responsible for helping to assure that any harassment or discrimination is reported. If a student witnesses or learns of any conduct that violates this policy, the student must immediately report the incident to his/her principal. If, however, the principal is the individual who is believed to have engaged in the inappropriate conduct, the student should notify the Superintendent of Schools of the Archdiocese of Miami. If an investigation reveals that inappropriate conduct has occurred, the school will take corrective action based on the circumstances.

IX. Hazing: Hazing is strictly prohibited. Hazing includes all actions or words in which one or more students force other students to undergo painful or humiliating ordeals. Punishment for these types of actions may be as severe as administrative withdrawal.

X. Language/Pornographic Material:

a. **Profane and inappropriate language-** The use of this type of language is not acceptable. Offenders may be disciplined with a suspension and/or other disciplinary action.

b. **Pornographic Material-** Any pornographic material found in a student's possession in print or electronically, is not tolerated on or off campus. Offenders may be disciplined with a suspension and/or other disciplinary action.

XI. Lost and Found: The school is not responsible for the loss of personal property, books, or any property left unattended. Any items found by students should be immediately submitted to the Office of Student Affairs, administrator, or teacher. Items that go unclaimed after a reasonable amount of time may be donated to charity.

XII. Lockers and Locks:

I. General:

a. Students are limited to (1) Sport per season. This is due to the school wanting to instill the quality of dedication to a sport not the quantity. Students are not limited to a maximum of clubs/honor societies/ministry. Students must learn how to plan and create quality ways the club/society/ministry can help the broader school and community while working with their academic schedule. Additionally, if a student is a President in one club/society/ministry then he/she cannot be a President in another club/society/ministry. This is also due to the quality, dedication, and time it takes to participate fully in an activity without sacrificing commitments to another club/society/ministry.

Note: Club/Society/Ministry participation does not exclude participating in a mandatory Christian Service Project which is a separate requirement from a club/society/ministry. However, with proper approval a club/society/ministry activity can be integrated with the Service Project so that both can be fulfilled and actually be a witness to how both can reflect the Catholic values that are long-standing at Carroll High.

b. **(ADOM reference)** Parents acknowledge that participation in these co-curricular and extra-curricular activities may be inherently dangerous and, the school cannot ensure the safety of all students involved in its activities and programs

c. **(ADOM Reference)** Prior to participation in any athletic activity, each student must complete the Parent Consent and Release of Liability form and a physician’s certificate to the effect that the student is physically fit for participation in the sport. Participation includes pre-season conditioning, open gym, tryouts and practice. **Parents, by executing this acknowledgement of receipt of this Handbook, hereby release the school, the Archdiocese of Miami, and their corporate members, officers, employees, and agents, from any claims or liabilities that allegedly arise from or are related to participation in any co-curricular and extra-curricular activities, including official athletics activities and school dances.**

d. **(ADOM reference)** Carroll High is not responsible for student participation in any co-curricular and extra-curricular activities not identified above. Parents hereby acknowledge that students who participate in any such program or activity do so at their own risk. Parents further acknowledge that the school does not control or sanction any such program or activity and that it shall not be held liable for any injuries or damages sustained by students or others arising from participation in such program or activities.

e. **(ADOM reference)** For the purposes of this handbook, a co-curricular and extra-curricular activities is defined as a group of individuals dedicated to a particular interest or activity and a league is defined as a group of teams or individuals participating in an athletic activity.

II. Announcements: All notices of club meetings, athletic and social events, general information for the day and specific instructions are announced during each school day. Students responsible for submitting announcements must have them approved by the moderator or sponsor and submitted to the Office for approval before it is read during announcements.

III. Athletic Program:

a. Carroll High is a member of the Florida High School Athletics Association (FHSAA) and, as such, adheres to the Constitution and By-Laws of that state organization. Athletics are part of the extracurricular program and the school offers a variety of sports under the jurisdiction of the FHSAA. Students must meet the standards of academic achievement as set forth by the FHSAA and Carroll High. Students must maintain an unweighted 2.0 GPA in order to participate. *A physical examination and EKG examination must be on file before try-outs/participation is allowed.* A student may not quit one sport to join another. Where sports overlap, students may try out for the second sport once the season for the first sport has been completed.

b. Consistent with its responsibility to protect the health and safety of student-athletes, Carroll High requires all student-athletes subject to the FHSAA Electrocardiogram screening requirement to provide satisfactory documentation of a completed ECG screening before participating in any tryout, practice, workout, conditioning activity, scrimmage, game, or other school-sponsored athletic activity. The School has adopted this requirement as a condition of participation in its athletic program. Accordingly, the School will not waive its ECG screening requirement based on a religious objection.

c. Students choosing to participate in any athletic team will be expected to pay the Athletic Fee. The athletic fee will vary per sport. One athletic fee will be charged per year. If the student is selected to play multiple sports, the one athletic fee will cover each sport thereafter for the current school year. The Athletic fee can be paid all at once through the business office, or the payments can be added through Facts.

d. Students may be required to purchase their own uniforms, shoes, rackets, bats, balls, and similar equipment.

e. PARTICIPANTS MUST BE COVERED BY THEIR PARENTS' MAJOR MEDICAL INSURANCE WITH POLICY NUMBER AND NAME ON FILE IN THE OFFICE.

f. Parents are responsible for verifying whether a sport league/club is an authorized school organization they may contact the school's administration.

g. High standards of citizenship reflective of the philosophy and objectives of Carroll High School are expected from all student-athletes. These standards must be demonstrated not only during the season of activity but also during the entire school year. The school believes the student-athlete both on and off the campus should demonstrate proper citizenship. Therefore, if a student is involved in any incident that would cast an unwholesome reflection on the school and its athletic program, this may necessitate the suspension or elimination of that student from the athletic program.

IV. Name, Image, and Likeness (ADOM reference): Carroll High, as a member of the Florida High School Athletic Association (FHSAA), adheres to FHSAA regulations governing athletic competition. Pursuant to FHSAA rules, student-athletes must, with the limited exception of permissible NIL activities, maintain amateur status in order to participate in FHSAA-regulated athletic activities. Consequently, student-athletes are prohibited from competing for monetary compensation, capitalizing on athletic fame by receiving money or gifts of a monetary nature, and/or signing a professional contract in any sport or having an agent to manage a student-athlete's

athletic career. The school expects all student-athletes to strictly adhere to these conditions of athletic participation.

Student-athletes are permitted to benefit from their name, image, and likeness in accordance with FHSAA rules. This includes the ability to receive compensation for endorsements, appearances, and other activities related to NIL. No employees or agents of the school, including its coaches and administrators, are authorized to involve themselves with student NIL, or in contract offers or negotiations with any agents or other third parties offering any monetary compensation to students and/or parents/guardians. Parents/guardians are specifically advised that they should seek independent professional counsel in communications and negotiations with any agents or other third parties offering compensation and/or services to students.

All NIL agreements must be disclosed in writing to the school administration within seven days of signing. Student-athlete NIL activities may not conflict with any team practices, games, or other school-related activities. Student-athletes are prohibited from making any reference to any school of the Archdiocese of Miami when engaging in any commercial activity. For example, students may not wear a team jersey or otherwise display an Archdiocesan school's name, mascot, or logo while engaged in any commercial activity not specifically authorized in writing by the Archdiocese of Miami. Likewise, a student may not wear the apparel or display the logo, insignia, or identifying mark of any third party during any school-based team activity. The names, mascots, and logos of Archdiocese of Miami schools have legal protections and their commercial unauthorized use by a student or by a parent/guardian will constitute a serious violation of school policy and may have additional legal repercussions. In addition to compliance with FHSAA rules, student-athletes may not endorse products or services that are inconsistent with the values of Carroll High and must at all times comport with the Conduct provision in this handbook and the policies and mission of Carroll High and the Archdiocese of Miami.

IV. Denial of Participation due to Suspension/Absences:

a. Any student suspended for any part of the school day, absent from school for half a day (11:00 AM for a regular school day and 10:00 AM for a half day) (or more), may not play, practice, or participate in athletic and/or other extra-curricular activities that day.

b. Students that participate in athletic and/or extracurricular activities are not to be tardy to school on game/competition/performance activity days.

c. Students who play, practice, or participate in athletic and extracurricular activities during suspensions and/or full/half absences may be issued disciplinary consequences.

V. Honor Societies:

a. No student is inducted into an honor society simply because of a high academic average. *Specific membership requirements are available from each* honor society moderator. Full membership is attained at the school's annual Honor Society Induction Ceremony. Students earn the privilege of graduating as active members of the honor society if they fulfill all the requirements set forth by each individual society.

b. All members are expected to comply with the school rules and the obligations set forth by each individual honor society. In cases of infractions of the honor society constitution and by-laws, the moderator will advise the student, before any official dismissal proceedings begin. Moderators will provide members with information about the nature of the violation and note the consequences for continued violations.

c. Honor Society membership may be immediately revoked, without prior written notice in cases of flagrant violation of school rules or civil law. In cases of impending dismissal from an honor society, a member may ultimately appeal to the Principal. Honor Society Moderators are responsible for informing the administration of possible dismissals and the reasons behind said dismissals. A dismissal from an Honor Society may be given to the student in writing in accordance with the honor society's constitution.

VI. Field Trips/Extracurricular Activities:

a. At various times throughout the school year field trips/extracurricular opportunities may be offered to our students. These events are a privilege and no student has an absolute right to participate in a field trip and/or extra-curricular event. Students may be denied participation in such events if they fail to meet academic, attendance, financial, or disciplinary requirements. Forms are to be returned 48 hours prior to the event. Students who fail to return a proper form ON TIME may not be allowed to participate.

b. Unless otherwise noted on the permission form, the dress code is the regular school uniform. Pre-assigned work is due before the student leaves for the field trip. Work assigned during the field trip must be made up within the same number of days missed. Field Trip costs/expenses are non-refundable and non-transferrable. Students who lose their field trip privileges are not eligible for refunds.

VII. Out of Country Field Trips: As per Archdiocese of Miami, out of Country field trips are not to be part of school-sponsored field trips.

VIII. Student-Athlete Study Hall Program: Student athletes are encouraged to participate in the various honor society tutoring programs available at the school throughout the year. A coach may also require athletes to participate in a Student Athlete Study Hall as part of the overall sport program. Such programs are designed to help the student athlete with his or her academics in a formal and controlled setting.

IX. Student Government/Club Leadership Positions: Every year, student representatives are elected/appointed to form the student council and Executive Board. These students help in the planning of all student activities. Their selection is done during the school year. Students who wish to participate in Student Council or who wish to be elected into leadership positions in extra-curricular organizations must be in good academic attendance and disciplinary standing. A minimum of a 3.0 weighted GPA is required for any student that is seeking a leadership position. Only students with less than five annual demerit point violations may be allowed to run for office.

X. Student Government and Participation in Administration Meetings:

a. Each Student Government Representative is required to have a school 3.0 weighted GPA in order to seek a leadership position. The executive council will meet once a quarter with Administration to provide their input in the following areas:

1. Catholic Identity
2. Curriculum
3. What are the strengths of the school?
4. What are the areas of improvement?
5. Any other topics you wish to discuss.

b. Student Government representatives will be assigned one day a quarter to come to the first part of the meeting to give important feedback on student input and insights. Student representatives will meet with the moderator at least one day before the meeting to go over logistics on how to present information and feedback.

c. Since this is a very important element in creating a collaborative culture within the school environment between students and teachers/administrators, it is imperative that Student Government leaders prepare ahead of time by interviewing classmates on the topics presented so that students are part of the administrative decision process.

SAFETY PROTOCOLS

I. General: Safety and security for all members of Carroll High is a focus of our school safety program. Our on-going safety program includes teacher, student and parent education, the encouragement of student reporting, access to school property and school buildings, visitor policies, supervision policies, disciplinary policies, the establishment of a crisis response team, emergency plans, communication issues such as the notification of parents and authorities, multi-faceted evacuation plan, media contact and collaboration with legal authorities.

II. Accident Reporting:

a. Should a student be injured in a school activity, the supervising staff member will seek administrative and medical assistance for the student. School officials will attempt to notify the parent or guardian as soon as possible about the injury and the student's condition. Further directives from the parent may be requested at that time in regards to preferences about treatment and emergency services (911). In cases of extreme emergency, the school staff may find it necessary to call emergency services (911) immediately without consultation with the parent.

b. If parents cannot be located by phone, we will refer to the emergency card filled out by the parent at registration for further instructions about medical treatment. **PARENTS SHOULD KEEP THE SCHOOL INFORMED OF ANY SPECIAL MEDICAL NEEDS OR PROBLEMS THAT WOULD BE NECESSARY TO KNOW SHOULD AN EMERGENCY OCCUR. We re-emphasize the need for parents/guardians to keep the school informed whenever address or telephone changes occur. We must be able to contact parents when necessary.**

c. All injuries or accidents that occur on school grounds or at school sponsored events must be reported to the Administration immediately and an Incident Report **MUST** be filled out in the Office of Student Affairs.

d. All students at Archbishop Carroll are covered by supplemental insurance. This means that the school insurance covers only what the family medical insurance does not cover in cases of accidents that occur on campus and during school sponsored events. The following procedures are necessary when submitting claims:

1. The accident must be reported immediately to the teacher or supervisor in charge or to the Student Affairs Office.
2. An accident form must be filled out and signed by a witness.
3. A claim form must be picked up in the Student Affairs Office. The form must be properly completed. It is the parent's responsibility to mail the form to the address listed on the Insurance Claim Form.
4. The school is not responsible for the decisions of the insurance company.

III. Change of Contact Information: If at any time a student changes his/her residence, mailing address, or telephone number after enrollment at Carroll High, the parent or legal guardian should immediately make the change utilizing the school database site. The same procedure holds if the parents have a change of employment or emergency contact telephone number. A current emergency number for each student is also required at all times.

IV. Child Protective Investigations (ADOM reference):

a. Florida law provides that any person who knows or has reasonable cause to suspect that a child is abused by a parent, legal custodian, caregiver or other person responsible for the child's welfare must report such knowledge to the Department of Children and Families (DCF). The school will cooperate with all child protective investigations by DCF or the local law enforcement agency. Reports should be made to Florida's Department of Children and Families by calling the Abuse Hotline at: 1-800-96-ABUSE (1-800-962-2873).

b. In addition to contacting DCF, abuse may be reported to the Safe Environment Office of the Archdiocese by calling 305-215-6635 or emailing abuserreporting@theadom.org.

c. Child protective investigations by DCF or local law enforcement agencies sometimes include interviews of students at school and may occur without advance notice. When it is reasonably possible, the school will seek to notify the parents that their child has been asked to participate in a child protective investigation. The school may also request the presence of a school staff member during investigative interviews on school property. However, please note that, under Florida law, DCF and local law enforcement have the discretion to conduct unannounced interviews and to disallow school staff member's presence during these interviews.

IV. Drop-off/Pick-up from school:

a. Parents are required to make arrangements for picking up students immediately upon the end of the school day, after athletic practices, games, and club activities. Specifically, please note that **it is the responsibility of the parents to provide transportation to and from school and to pick up the students at the proper dismissal time and at the designated drop-off and pick-up areas. Please do not drop-off or pick-up students outside the school gates.** Students walking to or from campus are to use the designated walking lanes.

b. Students are to arrive on campus no earlier than 6:30 AM and leave campus no later than 3:30 PM. There is no guarantee of supervision prior to 7:30 AM or after 3:15 PM on Monday, Tuesday and Friday and after 2:00PM on Wednesday and Thursday, unless the student is participating in a school sanctioned and supervised activity (sports practice, club project/meeting, etc.). Parents are to pick up their students as close to dismissal time as possible. Students that are not involved in a sanctioned school activity under the supervision of school staff are to wait for pick-up at the in the school breezeway. Staff supervision in the pick-up area ends 15 minutes after the end of classes.

c. Students participating in extra-curricular activities are to report immediately after dismissal to the location assigned for that activity. Those not participating in an extra-curricular activity after school are to go home immediately after dismissal. It is the parent's responsibility to check for early/half-day dismissal dates and times. Such dates may be listed on the school calendar, posted to the school website, and/or announced via email/phone blasts. We ask that parents also adhere to dismissal times. All parents are expected to update their email and phone numbers on a regular basis to facilitate such communication.

VI. Emergency Closing: In the case of severe weather (Ex: Hurricanes) or public disturbance, Carroll High will follow the decision of the Archdiocese of Miami with regard to cancellation of classes. Please listen to local radio and television stations for statements regarding school closings.

Should it be necessary to dismiss during the school day, students who will need transportation will have an opportunity to call home.

VII. Fire/Lock-Down Drills: Fire drills are held periodically throughout the school year. They are very serious exercises that could mean life or death in an emergency. Complete cooperation is expected of all students. When the alarm sounds, students are to exit the building according to the directions posted in the classroom. After leaving the building, students should move to a designated safe area. Swift movement and silence is expected from all students. Whenever the alarm sounds all staff, administration and visitors are also to leave the building to the nearest exit. Other safety drills are conducted as needed throughout the school year.

VIII. Immunizations: (ADOM reference) The Archdiocese of Miami requires that, prior to attendance in school, each student present or have on file with the school a certificate of immunization for the prevention of those communicable diseases for which immunization is required by the Department of Health. A Florida Certificate of Immunization (Form DH 680) completed by a health care provider licensed in the state of Florida and participating in Florida Shots is required to document the administration of prescribed immunization doses.

The Archdiocese of Miami does not accept immunization exemption requests based upon religious, philosophical, personal, or other reasons. Medical-related immunization exemption requests are reviewed on a case-by-case basis. Such requests must be made through submission of the Florida Certificate of Immunization (Form DH 680) and signed by a health care provider licensed in Florida and who regularly sees the student for medical care. Medical exemptions are only approved for legitimate documented medical needs. The Archdiocese reserves the right to not accept any medical exemption request.

Should there be an outbreak of a communicable disease at school, students with medical immunization exemptions may be asked to remain home throughout the incubation period of the disease.

IX. Lockdown Procedures: Students will be provided with lockdown procedures during the school year during class meetings, broadcasts, announcements, emails, and news bulletins. The school conducts lockdown drills during the school year to better prepare faculty, staff, students, and parents for emergency situations. Parents and students are expected to cooperate and comply with all lockdown procedures and drills.

X. Medication Guidelines: (ADOM references) Except as authorized by the school, students are not permitted to carry or distribute any prescription or non-prescription drugs or treatments, including aspirin, on the school grounds or at any school function. The administering of medicine to a student outside the doctor's office or a health institution is a parental responsibility and should only be delegated to school personnel when necessary and authorized by the school. Parents should ask their physicians if it is possible to prescribe medication so it can be administered at home. Only when necessary will the school allow the administration of medication on campus, and only under the following guidelines:

- a. An authorization form must be completed and submitted by a parent or legal guardian of the student. The name of the medication and dosage should be indicated on the form.

b. Medications to be dispensed at school should be labeled with the child's name and the exact dosage. The name and telephone number of the physician should also be on the label.

c. While the school may monitor a student taking the medication, the school will not remind students to come and take their medication.

d. Exceptions to this policy may be made for the use, supply and administration of an epinephrine auto-injection (EpiPen), or as otherwise authorized in writing by the school. In particular circumstances, the school may agree to administer medication or otherwise provide health care interventions that go beyond a minor adjustment for a particular student. In those cases, Parents hereby release the school, the Archdiocese, and their corporate members, officers, employees, affiliates, and agents from any claims or liabilities that allegedly arise from or are related to the provisions of those health care interventions that are beyond minor adjustments.

XI. Pregnancy and Marriage Policies: "Although premarital sex is considered neither acceptable nor moral within Church teaching, it is essential that we keep paramount the basic belief in the value of life. Because we are pro-life, we will do all we can to preserve life and will do nothing which may encourage a girl to have an abortion. Therefore, it is advised that the parents, guidance personnel, and administration as well as the couple involved come to a workable solution which would enable the unmarried student to continue her Catholic education at the school. In every case, professional counseling of both the boy and the girl is strongly recommended as they face important decisions. Respect Life and Catholic Social Services are available for counseling."

XII. Suicide Policy: If school personnel become aware that a student has made a suicidal gesture/comment; or that the student has expressed suicidal thoughts, the school staff will attempt to inform the parents as soon as possible. Parents will be asked to sign a release form verifying required psychological evaluation and agree to share the results with the school administration. The student will be sent for counseling and may not return to school until the assessment and evaluation has been submitted to the principal by the assessing agency. Please be aware that if any of the conditions listed above are not met, the school may require parents to officially withdraw the student from the school.

XIII. Visitors: All visitors, including parents and guardians, are to report to the School Office when entering the building. All visitors are to enter the building through the main entrance. When classes are in session, all who come on campus will be required to present identification at the front gate. We will perform a security screening and give you an ID. The ID must be worn while on our campus.

XIV. Guests: Any student who brings a guest to a school function (whether on or off campus) is completely responsible for the conduct of that guest before, during and immediately after the function. Carroll High may prohibit any person, including, but not limited to, current students, and any of their guests, from attending a school function. Guests are required to abide by the same dress guidelines that have been established for our students when participating in any school related event.

XV. Video Surveillance (ADOM Reference): Carroll High uses video surveillance cameras throughout the campus. Cameras may be located in areas including, but not limited to, entrances, exits, classrooms, hallways, common areas, outdoor areas, parking areas, athletic facilities, and other areas used for school operations. The School's surveillance cameras record video only and do not record sound or audio. Video recordings may be reviewed by authorized School personnel for legitimate school purposes, including safety, security, student discipline, investigation of incidents,

protection of property, compliance with School policies, and cooperation with law enforcement or other appropriate authorities when deemed necessary by the School.

Students and parents/guardians are hereby made aware that they may be recorded by the School's video surveillance system while on campus or participating in School-related activities. Video recordings are the property of the Archdiocese of Miami and the School, and will be maintained, accessed, disclosed, or destroyed in the School's discretion, consistent with applicable law and School policy. Recordings are not generally available for inspection by students, parents, guardians, or third parties, except as required by law or as otherwise determined appropriate by the School.

SCHOOL SPONSORED EVENTS **(ADOM REFERENCE)**

The school does not sponsor, oversee, or in any way control parties or social functions at private residences. School-sanctioned events, including all field trips, excursions, or parties, are specifically identified in this Handbook or are identified in the school calendar and/or as such in written notices generated and distributed by the school.

Parents, by executing the acknowledgement of receipt of this Handbook, HEREBY RELEASE the school, the Archdiocese of Miami, and their corporate members, officers, employees, affiliates, and agents, from any claims or liabilities that allegedly arise from or are related to attendance at parties or social functions at private residences or from participation/attendance at events not identified in the school calendar or in written notices from the school, including field trips, excursions, or parties.

Students engaged in conduct that is contrary to the mission and philosophy of the school may be subject to disciplinary action regardless of whether the conduct occurred at a school-sponsored function.

I. Behavioral Expectations for all School Sponsored Events:

- a. Everyone is expected to act in a cordial and respectful manner. Have fun but be aware and mindful of others around you.
- b. All school regulations in the handbook apply to all school events.
- c. No outside drinks, containers, or food of any kind is allowed at our school dances.
- d. Drug and alcohol testing may be conducted at any school event.
- e. Carroll High students with dates from outside of our school will be held responsible for the behavior of their guests. Carroll High dress code applies to all outside guests. The administration reserves the right to deny a guest entrance to school sponsored events.
- f. Each student must check in with the registration desk upon entering an event.
- g. Students who are from another school must bring a school I.D., driver's license or state issued identification in order to get into the event.
- h. Once a person has entered the event, there is no dismissal until the time the event concludes (dances, Prom, etc.). Yet, it is the full responsibility of the parent/guardian to ensure that students are not violating any driving laws when attending a school sponsored event.
- i. If dress guidelines are violated for any school sponsored event the student and/or guest may be denied entrance into the event.

II. Driving Curfews: Carroll High will make every effort to schedule our activities in order to ensure that our students comply with local and State laws. However, it is fully the responsibility of the parent/guardian to see to it that the student is not in violation of said laws.

III. Event Drop-Off/Pick-Up: Parents must not leave the student unattended until the student has been accepted into the dance. Likewise, out of courtesy to the staff and for the student's own safety it is pertinent that parents adhere to the official start and end of school events. Most events require that students arrive and depart by a particular time due to contractual agreements with the venue. The school's staff members have many different duties to conduct during such events, and thus, it is the parent's responsibility to ensure that the student is dropped off and picked up at times noted on school event forms. Students who fail to adhere to adequate drop-off and pick-up times for themselves and their guests may be denied entrance to the event, and/or future event privileges, and/or receive disciplinary consequences

SPIRITUAL PROGRAM

I. General:

- a. Campus Ministry Goal/Mission Statement: To facilitate a personal encounter with Christ, thus inviting the Carroll School Community to a deeper living of the Gospel.
 1. To proclaim the truth of the Gospel and to make known the passionate love of the Sacred Heart of Jesus.
 2. To provide opportunities for the members of our school community to encounter the love of Christ in and through the Liturgy and Sacraments.
 3. To build a culture of life through the development of peer leadership and service to the vulnerable.

Various opportunities are provided for faith development and service both within the school setting and through extracurricular activities. Experiences in prayer, both individual and communal, are offered to foster a deep, lasting friendship with our Lord, and to grow in healthy spiritual relationships with their peers. The ultimate goal of our program is to prepare students to continue to live and share their faith in word and action throughout their lives.

b. Faith development takes on many forms; worship and liturgy, sacramental preparation, retreats, spirituality, formation for leadership, spiritual direction, community building, social activities, and Christian Service outreach. A vibrant faith extends far beyond the walls of a chapel and determines how we live our lives.

II. Eucharist: *"The Eucharist is the source and summit of the Christian Life."* (Catechism of the Catholic Church, #1324). The Liturgy of the Eucharist (the Mass) is celebrated monthly for the entire student body and daily for those who wish to attend.

III. Adoration and Benediction: *"Sacraments are powers that come forth from the Body of Christ, which is ever-living and life-giving."* (Catechism of the Catholic Church, #1116). Opportunities for Eucharistic Adoration and Benediction are offered monthly through Theology classes, which provides time for all students to experience guided meditations and quiet, personal prayer.

IV. Sacrament of Reconciliation: *“The whole power of the Sacrament of Penance consists in restoring us to God’s grace and joining us with Him in an intimate friendship.”* (Catechism of the Catholic Church, #1468). The Sacrament of Reconciliation is offered for the students at various times throughout the year as well as on their retreat days. We are blessed to periodically have a chaplain available for Confession and spiritual guidance. In addition, students may request an appointment with the Chaplain before/after school or during their Theology class.

V. Retreats: *“Come to Me, all you who labor and are burdened, and I will give you rest.”* (Matt 11:28).

a. All students attend an annual one-day grade level retreat, except during the Junior year, all students attend a **two-day, one overnight retreat**. The retreats provide opportunities for our students to experience God’s personal love and mercy. By the very fact that a student is enrolled at Archbishop Coleman Carroll High School, there is an implicit priority in their lives to grow in and nurture their relationship with our Lord.

b. **The scheduled 2-day retreat is mandatory for graduation from Archbishop Coleman Carroll High School. A Junior who misses the 2-day retreat due to extreme circumstances or an emergency, may join the following year’s Junior class, making the retreat as a Senior.**

c. The one-day retreat is of high value and should only be missed due to extreme circumstances/emergencies. In order to glean the riches offered from their one-day class retreat, a make-up assignment may be given should a student need to miss the retreat.

VI. Spiritual Guidance: Spiritual guidance is available to students from visiting priests. All students will have an opportunity to meet personally with visiting priests. This personal encounter provides an opportunity for the formation of conscience, assistance in making good moral judgments, and applying Christian teachings to an individual’s precise circumstances.

VII. STUDENT Christian Service-Learning Program: *“The Catholic Church proclaims that human life is sacred and that the dignity of the human person is the foundation of a moral vision for society. This belief is the foundation of all the principles of our social teaching... [The Church believes] that every person is precious, that people are more important than things, and that the measure of every institution is whether it threatens or enhances the life and dignity of the human person.”* (United States Conference of Catholic Bishops).

- a. Each year Carroll High students are required to participate in Christian Service-Learning experiences in order to follow the command of Jesus to serve others, particularly the poor and the vulnerable. In addition, the Service Hours appear on the students’ transcripts and are an important aspect of the college admission process, including scholarship opportunities. Students are encouraged to begin or even possibly complete their service hours in the summer. At the beginning of the school year, the Coordinator of Service Hours sends out a letter to all parents and students informing them of the guidelines.
- b. A total of 100 Christian service hours are required of all high school students for graduation. The 100 hours will assist with the compliance of the State University System and the State of Florida’s scholarship program requirements.
- c. Each student at Carroll High is required to complete 25 hours by the end of freshmen year, 50 by the end of sophomore year, 75 by the end of junior year, and 100 by the end of the first semester of senior year. Students will receive two test grades based upon the completion of these hours and a corresponding project annually to ensure they remain on track.

- d. Of the 25 required hours, at least 10 of these hours must be 'Direct Service', that is, direct, active person-to-person interaction with the vulnerable. At least five hours must come from school-sponsored service opportunities.
- e. Students are also encouraged to go outside the school to find opportunities of service to the vulnerable. Students will be provided with a list of several non-profit organizations that may be helpful to spur ideas of where to serve. Many churches and organizations provide a variety of outreach opportunities that high school students can participate in.
- f. Sample ideas for Christian Service Hours:
 1. Talking, playing games, or playing instruments for those in a nursing home
 2. Serve food to the homeless at a soup kitchen
 3. Make and deliver food to the homes of needy families
 4. Assisting to construct homes for the needy with Habitat for Humanity
 5. Distributing clothing to the needy at a shelter or with non-profit organization
 6. Cooking for those who are grieving a loss, delivering it, and comforting them
 7. Help with a Thanksgiving food drive or Christmas program for children
 8. For a disabled elderly person: do their yard work, cleaning, or shopping for them
 9. Assisting with teaching CCD at a parish church
 10. Assisting at Children's Bible camp
 11. Praying in front of an abortion clinic
 12. Working at an event to raise funds/awareness for pro-life causes; hunger; cures for disease.
- g. Volunteering that does NOT qualify as Christian Service:
 1. For-Profit organizations
 2. Volunteering at a business where a parent or family member works.
 3. ACC social events / Honor Society Hours / Pep rally set-up / fund-raising for club/ Altar Serving at Sunday Mass.
 4. Service offered for the benefit of animals.
 5. Some organizations with non-profit status which exist as performance venues may not qualify: (For example: Miami Children's Theatre, Miami Children's Orchestra.
 6. Some organizations and foundations, though non-profit, will not be accepted due to their support of anti-life agendas or other causes which are contrary to our Catholic beliefs and values. Examples (not a complete list): Susan B. Komen Foundation, March of Dimes.
- h. Requirements for Submission of Christian Service Hour Documentation:
 1. Cover Sheet/ Log sheets/ Letters of Verification on organizations Letterhead.
 2. Photo of Direct Service.
 3. Completion of Theology assignment.
 4. Submission of hours to x2Vol online tool
 5. Submission of both hard copy and online copy is required.
 6. Students are highly encouraged to make their own copies prior to submission since proof of these hours is needed for the National Honors Society and some scholarships.
- i. The Theology teacher gives the approval for appropriate Christian service hours. Students may appeal to the Director of Christian Service Hours for clarification.
- j. Late submissions of service hour's requirements may have a \$25 payment due for procession at both the mid-year check and the year-end collection.
- k. Non-submission of Service hours by the time of graduation will result in the withholding of diplomas and final transcripts until the hours are complete. In addition, senior privileges of Grad Bash, Prom, and other senior events can be denied. Timely completion of the Christian Service

Hours deadlines is a serious obligation and integral part of the requirements for graduation. Fraudulent submissions are a serious offense and carry weighty consequences.

COMMUNITY SERVICE ACTIVITIES (ADOM reference)

Community service activities are not school activities and Carroll High School does not mandate or direct any specific location or locations in the community where these services are to be performed. Students are free to select the location where they wish to perform community service so long as the location and the activity meet the requirements of the school. Carroll High School does not operate or control the locations where students choose to perform community service and consequently the school, its agents, and affiliates do not assume responsibility for any injuries, damages, or losses incurred in the course of performing these services in the community. Students perform these services at their own risk.

COMMUNICABLE DISEASES AND RELATED ITEMS (ADOM reference)

Attendance at school and participation in school activities poses some risks including the transmission of communicable diseases. Although the school has taken various measures to reduce the risks of transmission, the possibility of infection from communicable diseases is nonetheless present. Parents expressly assume such risks by allowing their children to attend school and participate in school activities and/or by coming onto the school campus and attending school activities themselves.

In the event of a natural disaster, disease outbreak, or any other circumstances which in the judgment of the school administration make it infeasible, unsafe or otherwise imprudent to continue campus- based education, school educational programs may resume as soon as practical by way of distance learning and/or other methods adopted by the school administration and faculty. Due to the school's continuing financial obligations related to its operations, there will be no suspension, reduction, or refund of tuition in these circumstances.

COMPLAINTS AND GRIEVANCES

From time to time, parents may have questions regarding school policy or situations regarding their own child. Please use the following procedure for handling these concerns in a respectful and timely manner:

- a. Seek facts for yourself, not rumor from other parents or other people; talk about your own child.
- b. Discuss the matter with the proper person, such as the classroom teacher as soon as possible;
- c. After meeting with the specific teacher, if you believe further resolution is needed, contact the Administration;
- d. If satisfaction is still needed, make an appointment with the Principal through the administrative secretary;
- e. If your concern warrants further action, make an appointment with the President;
- f. If the concern involves a student or family other than your own:
 1. Please discuss the matter with the Dean, Student Affairs.
 2. After meeting with the Dean, Student Affairs and you believe further resolution is needed,

contact the Principal.

3. If your concern warrants further action, you may contact the Archdiocese Superintendent of Schools.

In most cases, the problem can be resolved with little difficulty. The school administration does not ignore or retreat from parental concerns. Recommendations and possible solutions will be explored and implemented to the best of our ability. We wish to remedy problems and maintain a solid Catholic school environment according to our stated philosophy and guidelines. However, we recognize that not all decisions will be popular ones, nor can all needs possibly be met within the school. In that case, another school environment may be the solution for a child and/or for parents.

This is the Parent Covenant that is part of the “Agreement” parents sign at the time of registration.

PARENT COVENANT

We are blessed to have your family as part of Archbishop Coleman Carroll High School and are humbled by your trust in us. Catholic education works best when parents and educators work together in a relationship of open communication, trust, and mutual respect. We need you as an essential partner to support your child while partnering with us in a Catholic community of faith. Building this community of faith is a primary mission of our school requiring a cooperative and supportive relationship with all members of its community including students and parents.

As such, this Parent Covenant has been developed to communicate our expectations as to how you can best partner with us in a manner reflective of our Catholic mission.

PLEASE INITIAL EACH OF THE STATEMENTS BELOW:

I understand that the school views the education of its students as a partnership between the parents and the school and that parents are required to comply with these expectations. I further understand that all enrollment and disenrollment decisions remain at all times at the discretion of the school. In addition, the school has the right to administratively withdraw a student if it determines at its discretion that the parent or student partnership is irretrievably broken.
